APPLICATION FOR ADMISSION
UNDERGRADUATE NONDEGREE

You may not need to submit this application. Complete the interest form at go.illinois.edu/nondegree to determine where best to apply. If you previously attended Illinois, contact your college office regarding nondegree enrollment. An application is not required in most instances.

INSTRUCTIONS
• If you have a disability that requires you to receive this information in an alternative format to these printed pages, please contact the Office of Undergraduate Admissions and request that admission materials are sent to you in an alternative format.
• Submit only one application for the term you wish to enter. If you wish to change your application after initial submission, please contact the Office of Undergraduate Admissions.
• If you only attended a summer session and wish to enroll as a nondegree student for the fall or spring term, a nondegree application is required.
• International students: Illinois does not issue visas for nondegree students. Do not submit this application unless you currently hold a U.S. visa, which allows full or part-time study.
• If you wish to take any course for graduate credit, contact Graduate Admissions at 217-333-0035.
• If you wish to take an online course, you most likely need to apply through our Center for Innovation in Teaching and Learning (citl.illinois.edu/online-learning).
• Nondegree application dates are as follows:
  - Spring: 9/1 – 11/30
    - Summer only: as soon as possible after 2/1
    - Summer (to continue in Fall): 2/1 – 4/30
  - Fall: 2/1 – 7/31
• Disclosure of social security number: You are requested to voluntarily give your social security number, which will be used to process your application. Please understand that not supplying your social security number may result in delays in processing.
• Criminal history: The University of Illinois is committed to maintaining a safe environment for all members of the University community. As part of this commitment, the University requires applicants with pending criminal charges or criminal convictions (other than a minor traffic offense or in a juvenile proceeding) to disclose this information as a mandatory step in the admissions process. A pending criminal charge or criminal conviction does not automatically bar admission to the University, but does require review. Complete information concerning the pending charge or conviction must be sent by certified mail at the time of application for admission to:
  - Review Committee
  - 300 Student Services Building, University of Illinois
  - 610 E. John St., Champaign, IL 61820

It is strongly recommended that applicants send materials by certified mail. Applicants are responsible for verifying receipt by the University and for maintaining a copy of the receipt certifying submission. Information to be submitted, in English, includes a brief explanation of the incident, location (city, county, state, country) of conviction or pending charges, dates, and court disposition. The applicant must forward the charging document, case docket, and judgment order or other disposition paperwork available. The applicant must also include a grant of permission to the University for complete access to criminal records, if any. Applicants may be required to sign additional releases. For further information on this requirement, call 217-333-3680.

ADMISSION QUALIFICATIONS & REGISTRATION RESTRICTIONS
• Nondegree admission and enrollment for the fall or spring term is restricted to participants in special programs and to those with nondegree educational objectives that cannot be met at another institution. Permanent residents of the Champaign-Urbana area are given priority for nondegree admission.
• The college of enrollment has the right to terminate a continuing nondegree student’s registration authorization at any time prior to the beginning of the term.
• Enrollment is limited to part-time status (fewer than 12 credit hours of course work in any semester). Financial aid is usually not available for nondegree students.
• Registration for the spring term starts the next business day after the advanced registration period concludes for degree-seeking students for the winter session and spring semester. Registration for the fall term starts July 15 or the next business day. The late registration fine will be waived for undergraduate nondegree students registering by the tenth day of classes. Registration after the tenth day of classes requires the written approval of the dean of the college of enrollment. Registration for summer session is during the regular registration period.
• The same grading system is applicable to both degree and nondegree students. Credit earned on nondegree status will not be applicable to a degree except by subsequent admission to degree status.
• To be considered for degree-status enrollment, nondegree-status students must reapply for admission.
