

## APPEAL OF ADMISSION DECISION

---

Every application has gone through an extensive review and a variety of information is considered, including academics, extra-curricular involvement, and information provided in essays. Therefore, request for reconsideration should only be submitted if new and compelling information that is relevant to the admissions criteria not on the original application is available. Requests must be made by the applicant. The Admissions Committee will not consider seventh or eighth semester grades, new extra-curricular activities or awards, ACT or SAT test scores submitted after January 12, or letters of recommendation. The Admissions Committee decision made on your appeal is final.

Complete, print, sign, and mail or fax the following form to the above address.
