

UNIVERSITY OF ILLINOIS College of Agricultural, Consumer and Environmental Sciences

Transfer Information

The information presented in the following section will assist all pre-transfer students, regardless of whether baccalaureate-oriented courses in introductory agricultural, consumer and environmental sciences related areas are offered at their community colleges. If transferable courses in these areas are not available, alternatives are suggested to meet the University of Illinois' General Education requirements. The University of Illinois admits qualified transfer students who have completed at least one year (two semesters) at another higher education institution. Please note that the criteria for admission vary depending on if a student will have completed **less than 60** or **60+** transferable credit hours by the time of enrollment.

Transfer students with **60 or more** hours are expected to have successfully completed a transfer course equivalent that satisfies the University of Illinois' Quantitative Reasoning I (Mathematics) General Education requirement for their intended program of study as a condition of admission. Some programs have other specific courses that must be included in the pre-transfer programs as outlined. Prerequisite courses and requirements necessary for admission are shown in ***bold, red italics***. The college requires a **minimum GPA of 2.50 (A=4.00)** in most programs to be considered for admission. **Several programs require higher minimum grade point averages for consideration; so, applicants should consult the specific major and concentration to which they intend to apply.**

Some programs of study offered by the College of ACES require completion of this campus' CHEM 232, Elementary Organic Chemistry I, as a graduation requirement. The corresponding lab, CHEM 233, Elementary Organic Chemistry Lab I, may be required when applicable. CHEM 232, Elementary Organic Chemistry I, is a one-semester (lecture only) survey course that covers many of the topics of a two-course organic chemistry sequence offered elsewhere. Completion of the first course of a transferable two-course organic chemistry sequence does not satisfy the organic chemistry requirement for those programs of study, unless currently articulated as such (consult <https://www.transferology.com> for information about course equivalents).

General Education Requirements

All College of ACES students are required to satisfy certain minimum hours in the areas of the natural sciences, humanities, cultural studies, and social sciences. In many curricula, some or all of these requirements are fulfilled with campus-wide general education courses already prescribed by the program. The remainder of the requirements can be fulfilled with other courses chosen from the Campus General Education Course List: <https://courses.illinois.edu/gened/2019/fall>.

Language Other Than English: There is no longer a language requirement for transfer admission. The College of Agricultural, Consumer and Environmental Sciences requires completion through the third level of one language other than English, either in high school or college, to **graduate** from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: <http://academics.aces.illinois.edu/future-students/transfer>

ACES Undeclared

The College of Agricultural, Consumer and Environmental Sciences offers a program for students interested in the majors within the College of ACES, but are unsure of which specific major they would like to pursue. Staff in the College of ACES Office of Academic Programs will assist students admitted to ACES Undeclared in selecting a major in the college within 1-2 semesters of their admittance to this program.

Students with a general idea of what major they would like to select in the college will best be served by following that major's transfer requirement criteria. Students that are truly undecided and are thinking of major options outside of the College of ACES should consider applying to the Division of General Studies.

The minimum GPA for admission consideration into ACES Undeclared is 2.50 (A= 4.00).

Please refer to "Transfer Information" and "General Education Requirements" on the first page of the College of Agricultural, Consumer and Environmental Sciences section of the Transfer Handbook.

Sophomore-level transfer admission highly recommends completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement:

CMN 101, Public Speaking

RHET 105, Writing and Research¹

Language Other than English²

General Education Requirements³

Course requirements in major of interest⁴

Junior-level transfer admission:

ACES Undeclared is not currently available for Junior-level transfer admission. Students at the Junior-level or above should consider applying directly to their major of interest in the College of ACES.

¹ Usually, a two-course rhetoric/composition sequence equivalent to the University of Illinois' RHET 105 or equivalents to a UCI 1-- and UCII 1-- articulation.

² Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

³ For information about the University of Illinois' General Education requirements and courses, please refer to the following web link: <https://courses.illinois.edu/gened/2019/fall> - Please note that some majors in the College of ACES may have specific courses required for gen ed categories. Please refer to the Undergraduate Program of Study: <http://catalog.illinois.edu/undergraduate/>

⁴ Please refer to the Transfer Handbook requirements for specific majors in ACES to find course recommendations.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: <http://academics.aces.illinois.edu/future-students/transfer>

Agricultural and Biological Engineering

Students planning to transfer to Agricultural and Biological Engineering should refer to the College of Engineering section of the Transfer Handbook

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: <http://academics.aces.illinois.edu/future-students/transfer>

**Agricultural and Consumer Economics
with concentrations in:
Agri-Accounting; Agribusiness, Markets and Management;
Consumer Economics and Finance; Environmental Economics and Policy;
Farm Management; Finance in Agri-Business; Financial Planning; Policy,
International Trade and Development; Public Policy and Law**

The minimum GPA for admission to all programs in the department of ACE is 2.75 (A=4.00). Meeting the minimum may not ensure your admission, since the actual GPA of the yearly applicant pool determines that number. A GPA of 3.0 is recommended to be competitive.

Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

*ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
MATH 112, Algebra (College Algebra), or higher¹*

Junior-level transfer admission requires for all concentrations completion of transfer coursework equivalent to the following University of Illinois courses:

*ACCY 201, Accounting and Accountancy I or an intro to financial accounting course²
ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
ECON 103, Macroeconomic Principles
MATH 220, Calculus³ or MATH 234, Calculus for Business I*

AND one of the following:

*MATH 124, Finite Mathematics or MATH 125, Elementary Linear Algebra or MATH 231,
Calculus II³*

Junior-level admission requires completion of additional transfer coursework equivalent to the following University of Illinois course for the following concentrations:

Agri-Accounting, Agribusiness, Markets and Management and Finance in Agribusiness

ACCY 202, Accounting and Accountancy II or an intro to managerial accounting course⁴

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACE 161, Microcomputer Applications or CS 105, Intro to Computing: Non-Tech

CMN 101, Public Speaking

RHET 105, Writing and Research⁵

Language Other Than English⁶

¹ If you place into Math 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement ([please refer to page 1 for this website link](#)).

² The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and ACCY 202.

³ For students intending to attend graduate school in an applied economics discipline, completion of a two-course calculus sequence equivalent to MATH 220 and MATH 231 is strongly recommended.

⁴ The second accounting course of a two-course sequence or the second two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and ACCY 202.

⁵ At most institutions, the equivalent requires a two-course English composition sequence.

⁶ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

**Agricultural Leadership, Education, & Communications
with concentrations in:
Agricultural Communication - Advertising; Agricultural Communication -
Journalism; Agricultural Education; and Organizational & Community Leadership**

The minimum GPA for admission consideration is **2.50 (A=4.00)**.

**Agricultural Communication (Advertising and Journalism)
Organizational & Community Leadership**

Sophomore- and junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois course:

***RHET 105, Writing and Research*¹**

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ADV 150, Introduction to Advertising²

CMN 101, Public Speaking

FSHN 101, Intro to Food Science & Nutrition

JOUR 200, Introduction to Journalism³

NRES 100, Fundamentals of Env Sci³

PS 101, Intro to US Government and Politics **or** ACE 100, Agr Cons and Resource Econ

PSYC 100, Intro Psych

STAT 100, Statistics

Language Other than English⁴

Cultural Studies⁵ – General Education requirement (Western and Non-Western)

Humanities⁵ – General Education requirement

Natural Science – Life Science requirement: ANSC 207, ANTH 249, CPSC 112, CPSC 113, FSHN 120, IB 103, IB 105, MCB 100/101 (**Select one**)

Natural Science – Physical Science requirement: ATMS 100, ATMS 120, ATMS 140, CHEM 101, CHEM 102/103, ENVS 101, ESE 117, ESE 118, GEOL 107, PHYS 101 (**Select one**)

Quantitative Reasoning II – General Education Requirement

Junior-level admission requires completion of additional transfer coursework equivalent to the following University of Illinois course for the Advertising concentration only:

STAT 100, Statistics

(Continued)

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: <http://academics.aces.illinois.edu/future-students/transfer>

Agricultural Education*

Sophomore- and junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois course:

RHET 105, Writing and Research¹

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
ANSC 100, Intro to Animal Sciences
CMN 101, Public Speaking
CPSC 112, Intro to Crop Sciences
EPS 201, Foundations of Education
EPSY 201, Educational Psychology
FSHN 101, Intro to Food Science & Nutrition
HORT 100, Introduction to Horticulture
MATH 124, Finite Mathematics **or** MATH 220, Calculus **or** MATH 234, Calculus for Business

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **strongly recommended**:

PSYC 100, Intro Psych
STAT 100, Statistics
TSM 100, Technical Systems in Agriculture
Language Other than English⁴
Cultural Studies⁵ – General Education requirement (Western and Non-Western)
Humanities⁵ – General Education requirement
Natural Science – Physical Science requirement: ATMS 100, ATMS 120, ATMS 140, CHEM 101, CHEM 102/103, ENVS 101, ESE 117, ESE 118, GEOL 107, PHYS 101 (**Select one**)

*For details regarding admission to a licensure program, please see:

http://www.cote.illinois.edu/certification/documents/act_procedures_for_admission.pdf.

*For further information, please contact the Council on Teacher Education at:

<http://www.cote.illinois.edu>.

¹ At most institutions, the equivalent requires a two-course English composition sequence.

² Only recommended for students interested in the Advertising concentration.

³ Only recommended for students interested in the Agricultural Communications (Advertising and Journalism) concentrations.

⁴ Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.

⁵ For information about the University of Illinois' General Education requirements, please refer to:

<https://courses.illinois.edu/gened/2019/fall>.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: (217) 333-3380; FAX: (217) 244-6537; Website: <http://academics.aces.illinois.edu/future-students/transfer>

**Animal Sciences
with concentrations in:
Companion Animal and Equine Sciences; Food Animal Production and
Management; Science, Pre-Veterinary and Medical**

The minimum GPA for admission consideration is **2.50 (A=4.00)**; however, **2.75** or above is preferred. The minimum GPA is not an indicator of success in the animal science curriculum. If interested in pursuing veterinarian school after the bachelors in animal science, please refer to the pre-professionals transfer handbook.

Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

***CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I or CHEM 101, Introductory Chemistry
MATH 112, Algebra or higher¹***

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

***CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 234, Calculus for Business I***

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
ANSC 100, Intro to Animal Sciences
CMN 101, Public Speaking
MCB 100, Introductory Microbiology **and** MCB 101, Intro Microbiology Laboratory
RHET 105, Writing and Research²
STAT 100, Statistics
Language Other than English³

¹ If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement ([please refer to page 1 for this website link](#)).

² At most institutions, the equivalent requires a two-course English composition sequence.

³ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

Computer Science and Animal Sciences

A grade point average of 3.67 or higher (A=4.00) is required for admission, with at least a **grade point average of 3.67 or higher (A=4.00)** for the transfer courses equivalent to the required courses listed below. Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

While the Computer Science and Animal Sciences major is open for intercollegiate/interdepartmental transfer, students who are not directly admitted to Computer Science and Animal Sciences must be admitted by the student's sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Agricultural, Consumer and Environmental Sciences.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

ANSC 100, Intro to Animal Sciences
CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
CS 125, Intro to Computer Science¹
MATH 220, Calculus
MATH 231, Calculus II or CS 173, Discrete Structures²

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

ANSC 100, Intro to Animal Sciences
CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
CS 125, Intro to Computer Science¹
MATH 220, Calculus
MATH 231, Calculus II
CS 173, Discrete Structures²
CS 225, Data Structures

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

CMN 101, Public Speaking
RHET 105, Writing and Research³
Language Other than English⁴

¹ CS 125: Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101: Intro Computing: Engrg & Sci, may be substituted.

² It is highly recommended that an equivalent transfer course to CS 173: Discrete Structures be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.

³ At most institutions, the equivalent requires a two-course English composition sequence.

⁴ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

Computer Science and Crop Sciences

A grade point average of 3.50 or higher (A=4.00) is required for admission, with at least a **grade point average of 3.50 or higher (A=4.00)** for the transfer courses equivalent to the required courses listed below. Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

While the Computer Science and Crop Sciences major is open for intercollegiate/interdepartmental transfer, students who are not directly admitted to Computer Science and Crop Sciences must be admitted by the student's sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Agricultural, Consumer and Environmental Sciences.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CS 125, Intro to Computer Science¹

MATH 220, Calculus

MATH 231, Calculus II or CS 173, Discrete Structures²

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CS 125, Intro to Computer Science¹

MATH 220, Calculus

MATH 231, Calculus II or CS 173, Discrete Structures²

CS 225, Data Structures

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

CS 173, Discrete Structures²

CPSC 112, Introduction to Crop Sciences

CMN 101, Public Speaking

RHET 105, Writing and Research³

Language Other than English⁴

¹ CS 125: Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101: Intro Computing: Engrg & Sci, may be substituted.

² It is highly recommended that an equivalent transfer course to CS 173: Discrete Structures be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.

³ At most institutions, the equivalent requires a two-course English composition sequence.

⁴ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

Crop Sciences
with concentrations in:
Agroecology; Biological Sciences; Crop Agribusiness; Crops; Horticultural
Food Systems; Plant Biotechnology and Molecular Biology; Plant Protection

The minimum GPA for admission consideration is 2.50 (A=4.00). Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher¹

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACCY 200, Fundamentals of Accounting **or** ACCY 201, Accounting and Accountancy²
ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
CHEM 232, Elementary Organic Chemistry I **and** CHEM 233, Elementary Organic Chemistry Lab I³
CMN 101, Public Speaking
CPSC 112, Introduction to Crop Sciences
IB 103, Introduction to Plant Biology
MCB 100, Introductory Microbiology **and** MCB 101, Intro Microbiology Laboratory **or** IB 104, Animal Biology³
NRES 102, Introduction to NRES³
NRES 201, Introductory Soils³
RHET 105, Writing and Research⁴
Language Other than English⁵

¹ If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement ([please refer to page 1 for this website link](#)).

² Transfer credit for ACCY 201 is typically earned by completing two courses in a two-course sequence or three courses in a three-course sequence at most institutions. Completing these sequences typically results in credit for ACCY 201 and 202. Please note that ACCY 200 or ACCY 201 are only required for the Crop Agribusiness concentration only. (Crop Agribusiness concentration only).

³ Courses are recommended depending on the concentration within the crop science major. More information can be found at the following website. <http://catalog.illinois.edu/undergraduate/aces/crops-sciences-bs/>

⁴ At most institutions, the equivalent requires a two-course English composition sequence.

⁵ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Food Science & Human Nutrition with concentrations in: Dietetics; Food Science; Hospitality Management; Human Nutrition

Application to Food Science, Dietetics, and Hospitality Management at the **Sophomore-level** is highly recommended due to sequential courses. Those who enter at the **Junior-level** may require 5 semesters total on campus to complete their degree requirements.

Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

Dietetics and Human Nutrition

The minimum GPA for admission consideration is 3.00 (A=4.00).

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

***CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher¹***

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

***CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 234, Calculus for Business I***

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

CMN 101, Public Speaking
FSHN 101, Intro to Food Science & Nutrition
MCB 100, Introductory Microbiology
MCB 244, Human Anatomy & Physiology I
MCB 246, Human Anatomy & Physiology II
RHET 105, Writing and Research²
STAT 100, Statistics
Language Other Than English³

Hospitality Management

The minimum GPA for admission consideration is 2.50 (A=4.00).

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

***CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher¹***

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

***CHEM 101, Introductory Chemistry or an introductory chemistry course with lab
MATH 220, Calculus or MATH 234, Calculus for Business I***

University Physics: Mechanics
IB 103, Introduction to Plant Biology– strongly recommended
***IB 104, Animal Biology or IB 150 and IB 151, Organismal & Evolutionary Biol and Lab – strongly
recommended***
NRES 102, Intro to NRES
NRES 201, Introductory Soils
RHET 105, Writing and Research²
STAT 100, Statistics
Language Other Than English³

¹ If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement ([please refer to page 1 for this website link](#)).

² At most institutions, the equivalent requires a two-course English composition sequence.

³ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.

Technical Systems Management

The minimum GPA for admission consideration is 2.50 (A=4.00).

Transfer coursework equivalent to the University of Illinois courses listed in *bold, red italics* must be successfully completed **prior to** the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or higher
MATH 112, Algebra or higher¹

Junior-level transfer admission requires completion of transfer coursework equivalent to **one** of the following University of Illinois courses:

MATH 220, Calculus or MATH 234, Calculus for Business I
CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I or
PHYS 101, College Physics: Mech & Heat

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

ACCY 201, Accounting and Accountancy I **or** an Intro to Financial Accounting course²
ACE 100, Agr Cons and Resource Econ **or** ECON 102, Microeconomic Principles
ACE 161, Microcomputer Applications **or** CS 105, Intro to Computing: Non-Tech
CHEM 102, General Chemistry I **and** CHEM 103, General Chemistry Lab I
CMN 101, Public Speaking
CPSC 112, Introduction to Crop Sciences
ECON 103, Macroeconomic Principles
NRES 201, Introductory Soils
PHYS 101, College Physics: Mech & Heat
PHYS 102, College Physics: E&M & Modern **or** CHEM 104 & 105, General Chemistry II/Lab II
RHET 105, Writing and Research³
STAT 100, Statistics
TSM 100, Technical Systems in Agr
Language Other Than English⁴

¹ If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement ([please refer to page 1 for this website link](#))

² The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois' ACCY 201 and ACCY 202.

³ At most institutions, the equivalent requires a two-course English composition sequence.

⁴ Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.
