UNIVERSITY OF ILLINOIS
College of Agricultural, Consumer and Environmental Sciences

Transfer Information
The information presented in the following section will assist all pre-transfer students, regardless of whether baccalaureate-oriented courses in introductory agricultural, consumer and environmental sciences related areas are offered at their community colleges. If transferable courses in these areas are not available, alternatives are suggested to meet the University of Illinois’ General Education requirements. The University of Illinois admits qualified transfer students who have completed at least one year (two semesters) at another higher education institution. Please note that the criteria for admission vary depending on if a student will have completed less than 60 or 60+ transferable credit hours by the time of enrollment.

Transfer students with 60 or more hours are expected to have successfully completed a transfer course equivalent which satisfies the University of Illinois’ Quantitative Reasoning I (Mathematics) General Education requirement for their intended program of study as a condition of admission. Some programs have other specific courses that must be included in the pre-transfer programs as outlined. Prerequisite courses and requirements necessary for admission are shown in red italics. The college requires a minimum GPA of 2.50 (A=4.00) in most programs to be considered for admission. Several programs require higher minimum grade point averages for consideration; so, applicants should consult the specific major and concentration to which they intend to apply.

Some programs of study offered by the College of ACES require completion of this campus’ CHEM 232, Elementary Organic Chemistry I, as a graduation requirement. The corresponding lab, CHEM 233, Elementary Organic Chemistry Lab I, may be required when applicable. CHEM 232, Elementary Organic Chemistry I, is a one-semester (lecture only) survey course which covers many of the topics of a two-course organic chemistry sequence offered elsewhere. Completion of the first course of a transferable two-course organic chemistry sequence does not satisfy the organic chemistry requirement for those programs of study, unless currently articulated as such (consult https://www.transferology.com for information about course equivalents).

General Education Requirements
All College of ACES students are required to satisfy certain minimum hours in the areas of the natural sciences, humanities, cultural studies, and social sciences. In many curricula, some or all of these requirements are fulfilled with campus-wide general education courses already prescribed by the program. The remainder of the requirements can be fulfilled with other courses chosen from the Campus General Education Course List: https://courses.illinois.edu/gened/2016/fall

Language Other Than English: There is no longer a language requirement for transfer admission. The College of Agricultural, Consumer and Environmental Sciences requires completion through the third level of one language other than English, either in high school or college, to graduate from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.
Agricultural and Biological Engineering

The minimum GPA for admission consideration is **3.00 (A=4.00)**. Must have a technical GPA of 3.00 or higher.

Transfer coursework equivalent to the University of Illinois courses listed in **red italics** must be successfully completed **prior to** the desired term of entry.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- MATH 220, Calculus
- MATH 231, Calculus II
- PHYS 211, University Physics: Mechanics

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
- or ECON 103, Macroeconomic Principles
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II – strongly recommended
- CS 101, Intro Computing: Engrg & Sci
- GE 101, Engineering Graphics & Design
- PHYS 212, Univ Physics: Elec & Mag
- PHYS 213, Univ Physics: Thermal Physics
- RHET 105, Writing and Research\(^1\)

**Language Other Than English\(^2\)**

Recommended semester plans can be found at the following website. http://abe.illinois.edu/undergrad_programs/ABE-Curriculum Students who deviate from the plan may take longer for graduation. Preference will be given to students who most successfully follow plan.

Students planning **Junior-level** transfer into Agricultural and Biological Engineering should refer to the College of Engineering section of the Transfer Handbook. For more information and transfer requirements for junior-level transfer, please contact the College of Engineering’s Office of Academic Programs (engrap@illinois.edu or 217-333-2280).

---

\(^1\) At most institutions, the equivalent requires a two-course English composition sequence.

\(^2\) Please refer to Page 1 for the explanation of the **Language Other Than English** for transfer admission and graduation for all programs of study in the College of ACES.
Agricultural Communications

**The minimum GPA for admission consideration is 2.50 (A=4.00).**

Please refer to “Transfer Information” and “General Education Requirements” on the first page of the College of Agricultural, Consumer and Environmental Sciences section of the Transfer Handbook.

**Sophomore-level transfer admission highly recommends** completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement:

- CMN 101, Public Speaking
- PSYC 100, Intro Psych
- RHET 105, Writing and Research\(^1\)
- STAT 100, Statistics

**Language Other than English\(^2\)**

**Junior-level transfer admission highly recommends** completion of all of the courses listed above for **Sophomore-level transfer admission** and the completion of equivalent transfer coursework to the following University of Illinois courses:

- ADV 150, Introduction to Advertising
- CMN 101, Public Speaking
- FSHN 101, Intro to Food Science & Nutrition
- JOUR 200, Introduction to Journalism
- NRES 100, Fundamentals of Env Sci
- PS 101, Intro to US Gov & Pol or ACE 100, Agr Cons and Resource Econ

**Language Other than English** (through the third level)\(^2\)

**Cultural Studies** – General Education Requirement (Western and Non-Western/U.S. Minority Cultures)\(^3\)

**Humanities** – General Education Requirement\(^3\)

**Natural Science – Life Science** Requirement: ANSC 207, ANTH 249, CPSC 112, 113, FSHN 120, IB 103, 105, 107, 109; MCB 100/101 (Complete three transfer course equivalents to 3 of these listed courses)

**Natural Science – Physical Science** Requirement: ATMS 100, 120, 140, CHEM 102/103; ENVS 101; ESE 117, 118; GEOL 107; PHYS 101 (Complete one transfer course equivalent to 1 of these listed courses)

**Quantitative Reasoning II** – General Education Requirement\(^3\)

\(^1\) Usually, a two-course rhetoric/composition sequence equivalent to the University of Illinois' RHET 105 or equivalents to a UCI 1 - - and UCI 1 - - articulation.

\(^2\) Please refer to Page 2 for Language Other than English information concerning transfer admission and graduation.

\(^3\) For information about the University of Illinois' General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened/2016/fall](https://courses.illinois.edu/gened/2016/fall)
Agricultural and Consumer Economics
with concentrations in:
Agri-Accounting; Agribusiness, Markets and Management;
Consumer Economics and Finance; Environmental Economics and Policy;
Farm Management; Finance in Agri-Business; Financial Planning; Policy,
International Trade and Development; Public Policy and Law

The minimum GPA for admission to all programs in the department of ACE is 2.75 (A=4.00).
Meeting the minimum may not ensure your admission, since the actual GPA of the yearly
applicant pool determines that number. A GPA of 3.0 is recommended to be competitive.

Transfer coursework equivalent to the University of Illinois courses listed in red italics must be successfully completed prior to the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
MATH 112, Algebra (College Algebra), or higher¹

Junior-level transfer admission requires for all concentrations completion of transfer coursework equivalent to the following University of Illinois courses:

ACCY 201, Accounting and Accountancy I or an Intro to Financial Accounting course²
ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
ECON 103, Macroeconomic Principles
MATH 220, Calculus³ or MATH 234, Calculus for Business I
AND one of the following:
MATH 124, Finite Mathematics or MATH 125, Elementary Linear Algebra or MATH 231, Calculus II³

Junior-level admission requires completion of additional transfer coursework equivalent to the following University of Illinois course for the following concentrations:

Agri-Accounting, Agribusiness Markets and Management and Finance in Agribusiness

ACCY 202, Accounting and Accountancy II or an Intro to Managerial Accounting course⁴

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended.

ACE 161, Microcomputer Applications or CS 105, Intro to Computing, Non-Tech
ECON 202, Economic Statistics I
CMN 101, Public Speaking
RHET 105, Writing and Research⁵

Language Other Than English⁶

¹ If you place into Math 112, Algebra, please note that this course does not satisfy the University of Illinois’ Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).
² The first accounting course of a two-course sequence or the first two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois’ ACCY 201 and ACCY 202.
³ For students intending to attend graduate school in an applied economics discipline, completion of a two-course calculus sequence equivalent to MATH 220 and MATH 231 is strongly recommended.
⁴ The second accounting course of a two-course sequence or the second two accounting courses of a three-course sequence, which is/are articulated as equivalent to the University of Illinois’ ACCY 201 and ACCY 202.
⁵ At most institutions, the equivalent requires a two-course English composition sequence.
⁶ Please refer to Page 1 for the explanation of the Language Other Than English for transfer admission and graduation for all programs of study in the College of ACES.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: 217/333-3380; FAX: 217/244-6537; Website: http://academics.aces.illinois.edu/future-students/transfer
Agricultural Leadership and Science Education
with concentrations in:
Agricultural Leadership Education; Agricultural Science Education*

The minimum GPA for admission consideration is 2.50 (A=4.00) for Agricultural Leadership
Education and for Agricultural Science Education*.

Transfer coursework equivalent to the University of Illinois courses listed in red italics must be successfully
completed prior to the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the
following University of Illinois course:

MATH 112, Algebra or higher1

Junior-level transfer admission requires completion of transfer coursework equivalent to one of the
following University of Illinois courses:

MATH 124, Finite Mathematics or MATH 220, Calculus or MATH 234, Calculus for Business I
RHET 105, Writing and Research2,3

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation
requirement prior to transfer is highly recommended:

ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
ANSC 100, Intro to Animal Sciences
CHEM 102, Gen Chem I and CHEM 103, Gen Chem Lab I - strongly recommended
CMN 101, Public Speaking
CPSC 112, Introduction to Crop Sciences
EPS 201, Foundations of Education
FSHN 101, Intro to Food Science & Nutrition
HORT 100, Introduction to Horticulture
PSYC 100, Intro Psych
STAT 100, Statistics
TSM 100, Technical Systems in Agr4

*All candidates for admission to this professional education preparation program are required to
meet the minimum ACT/ SAT or the Illinois Certification Testing System (ICTS) Test of Academic
Proficiency (TAP) as a criterion for admission. Test scores must be reported to the Council on Teacher
Education by the time of application to the program (Illinois code = 3001). The exam needs to be
completed and scores submitted no later than the summer semester prior to fall enrollment or
no later than the fall semester prior to spring enrollment. Effective July 2012, the Illinois State
Board of Education determined the ACT Plus Writing/SAT scores can be used in lieu of a passing score on the
Test of Academic Proficiency (formerly known as the Illinois Test of Basic Skills). For details, including
minimum ACT/SAT scores, please see:
http://www.cote.illinois.edu/certification/documents/act_procedures_for_admission.pdf. For further
information, please contact The Council on Teacher Education at: http://www.cote.illinois.edu/.

1 If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois’
Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).
2 At most institutions, the equivalent requires a two-course English composition sequence.
3 Course will be required for admission in Fall 2018. Students who plan to apply before Fall 2018 are highly
encouraged to complete equivalent transfer coursework.
4 Only for students interested in Agricultural Science Education.
5 Please refer to Page 1 for the explanation of the Language Other than English for transfer admission
and graduation for all programs of study in the College of ACES.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer
and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: 217/333-3380;
FAX: 217/244-6537; Website: http://academics.aces.illinois.edu/future-students/transfer
Animal Sciences
with concentrations in:
Companion Animal and Equine Sciences;
Science, Pre-Veterinary and Medical; Technology and Management

The minimum GPA for admission consideration is 2.50 (A=4.00), however 2.75 or above is preferred. The minimum GPA is not an indicator of success in the animal science curriculum. IF interested in pursuing veterinarian school after the bachelors in animal science, please refer to the pre-professionals transfer handbook.

Transfer coursework equivalent to the University of Illinois courses listed in red italics must be successfully completed prior to the desired term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

- **CHEM 102 General Chemistry I** and **CHEM 103, General Chemistry Lab I** or **CHEM 101, Introductory Chemistry**
- **MATH 112, Algebra or higher**

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

- **CHEM 102, General Chemistry I** and **CHEM 103, General Chemistry Lab I**
- **CHEM 104 General Chemistry II** and **CHEM 105, General Chemistry Lab II**
- **MATH 220, Calculus or MATH 234, Calculus for Business I**

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- **ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles**
- **ANSC 100, Intro to Animal Sciences**
- **CMN 101, Public Speaking**
- **MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory**
- **RHET 105, Writing and Research**
- **STAT 100, Statistics**
- **Language Other than English**

---

1. Course will be required for admission in Fall 2018. Students who plan to apply before Fall 2018 are highly encouraged to complete equivalent transfer coursework.
2. If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois' Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).
3. At most institutions, the equivalent requires a two-course English composition sequence.
4. Please refer to Page 1 for the explanation of the Language Other than English for transfer admission and graduation for all programs of study in the College of ACES.
Crop Sciences
with concentrations in:
Agroecology; Biological Sciences; Crop Agribusiness; Crops; Horticultural
Food Systems; Plant Biotechnology and Molecular Biology and Plant
Protection

The minimum GPA for admission consideration is 2.50 (A=4.00). Transfer coursework equivalent to
the University of Illinois courses listed in red italics must be successfully completed prior to the desired
term of entry.

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the
following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher¹

Junior-level transfer admission requires completion of transfer coursework equivalent to the following
University of Illinois courses:

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II²
MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation
requirement prior to transfer is highly recommended.

ACCY 200, Fundamentals of Accounting or ACCY 201, Accounting and Accountancy³
ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
CHEM 232, Elementary Organic Chemistry I and CHEM 233, Elemental Organic Chemistry Lab I ⁴
CMN 101, Public Speaking
CPSC 112, Introduction to Crop Sciences
IB 103, Introduction to Plant Biology
MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory or IB 104, Animal
Biology⁴
NRES 102, Introduction to NRES
NRES 201, Introductory Soils⁴
RHET 105, Writing and Research⁵
Language Other than English⁶

¹ If you place into MATH 112, Algebra, please note that this course does not satisfy the University of Illinois'
Quantitative Reasoning I Gen Ed requirement (please refer to page 1 for this website link).
² Course will be required for admission in Fall 2018. Students who plan to apply before Fall 2018 are highly
couraged to complete equivalent transfer coursework.
³ The second accounting course of a two-course sequence or the second two accounting courses of a three-
course sequence, which is/are articulated as equivalent to the University of Illinois’ ACCY 201 and ACCY 202
(Crop Agribusiness concentration only).
⁴ Courses are recommended depending on the concentration within the crop science major. More
information can be found that the following website.
http://catalog.illinois.edu/undergraduate/aces/departments/crop-sci/#majorstext
⁵ At most institutions, the equivalent requires a two-course English composition sequence.
⁶ Please refer to Page 1 for the explanation of the Language Other than English for transfer admission
and graduation for all programs of study in the College of ACES.

CONTACT INFORMATION: ACES Academic Programs, University of Illinois, College of Agricultural, Consumer
and Environmental Sciences, 128 Mumford Hall, 1301 W. Gregory Drive, Urbana, IL 61801; Phone: 217/333-3380;
FAX: 217/244-6537; Website: http://academics.aces.illinois.edu/future-students/transfer
Food Science & Human Nutrition
with concentrations in:
Dietetics; Food Science; Hospitality Management; Human Nutrition

Application to Food Science, Dietetics, and Hospitality Management at the Sophomore-level is highly recommended due to sequential courses. Those who enter at the Junior-level may require 5 semesters total on campus to complete their degree requirements.

Transfer coursework equivalent to the University of Illinois courses listed in red italics must be successfully completed prior to the desired term of entry.

Dietetics and Human Nutrition

The minimum GPA for admission consideration is 3.00 (A=4.00).

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
MATH 220, Calculus or MATH 234, Calculus for Business I

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

CMN 101, Public Speaking
FSHN 101, Intro to Food Science & Nutrition
MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory
MCB 244, Human Anatomy & Physiology I and MCB 245, Human Anatomy & Physiology I Lab
MCB 246, Human Anatomy & Physiology II and MCB 247, Human Anatomy & Physiology II Lab
RHET 105, Writing and Research²
STAT 100, Statistics
Language Other Than English³

Hospitality Management

The minimum GPA for admission consideration is 2.50 (A=4.00).

Sophomore-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab
MATH 112, Algebra or higher

Junior-level transfer admission requires completion of transfer coursework equivalent to the following University of Illinois courses:

CHEM 101, Introductory Chemistry or an introductory chemistry course with lab
MATH 220, Calculus or MATH 234, Calculus for Business I

(Continued)
Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- ACCY 201, Accounting and Accountancy I or an Intro to Financial Accounting course
- ACE 100, Agr Cons and Resource Econ or ECON 102, Microeconomic Principles
- ACE 161, Microcomputer Applications or CS 105, Intro Computing: Non-Tech
- CMN 101, Public Speaking
- FSHN 101, Intro to Food Science & Nutrition
- FSHN 120, Contemporary Nutrition
- MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory – strongly recommended
- PSYC 100, Intro Psych
- RHET 105, Writing and Research
- SOC 100, Introduction to Sociology
- STAT 100, Statistics
- Language Other Than English

**Food Science**

The minimum GPA for admission consideration is **2.50 (A=4.00)**.

**Sophomore-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- **CHEM 101, Introductory Chemistry or an introductory chemistry course with Lab**
- **MATH 112, Algebra or higher**

**Junior-level transfer admission requires** completion of transfer coursework equivalent to the following University of Illinois courses:

- **CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I**
- **CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II**
- **MATH 220, Calculus**

Completion of transfer coursework equivalent to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- CMN 101, Public Speaking
- FSHN 101, Intro to Food Science & Nutrition
- FSHN 120, Contemporary Nutrition
- MCB 100, Introductory Microbiology and MCB 101, Intro Microbiology Laboratory
- RHET 105, Writing and Research
