UNIVERSITY OF ILLINOIS
College of Liberal Arts and Sciences

Transfer Information
As the largest undergraduate college at the University of Illinois, the College of Liberal Arts and Sciences (LAS) currently offers approximately 50 majors under the Sciences and Letters curriculum, 5 specialized curricula and 12 programs preparing for teacher licensure for secondary schools. The necessary core courses are available for students planning to pursue a career in law or health professions. Information concerning all Programs of Study is now located at this website: http://admissions.illinois.edu/Discover/Academics/majors.

University of Illinois course information to determine the applicability of certain courses toward career goals may be found at: https://courses.illinois.edu/. Staff members within the College are available to answer specific student questions. Transfer course information is available at the following website: https://www.transferology.com.

Enrolling transfer students are required to participate in the New Student Registration Program. This will enable each student to talk to an experienced adviser, plan a program of study and take part in programs designed to answer their questions.

MINIMUM REQUIREMENTS FOR A DEGREE
The College of Liberal Arts and Sciences has minimum standards of progress and performance that must be observed as students work toward a degree, including Required Grade-Point Averages, Minimum Total Credit Hours, Electives, Minimum Advanced Hours, and Residency Credit Hours. More information on these requirements is available at the following website: http://www.las.illinois.edu/students/requirements/minimum.

MAJORS WITH SUPPORTING COURSEWORK
In addition to the Composition, Language and General Education requirements in LAS, students in the Sciences and Letters curriculum are required to study an academic discipline in some depth. At the University of Illinois, this in-depth study is called a major, and will include core courses in the subject itself and supporting coursework. This major may be oriented around a single discipline, or may be inter-disciplinary (e.g., Humanities, Latin American Studies, or Religious Studies). A major will normally consist of 40-60 hours of coursework designated by the department and approved by the faculty of the College of LAS. Of these hours, approximately 12-20 will be in supporting coursework. Descriptions of the requirements for each of the 50 majors in the Sciences and Letters curriculum may be found in the University of Illinois’ Transfer Handbook (Liberal Arts and Sciences section). The prerequisite coursework and requirements are listed in bold, red italics for each of the programs. LAS allows for equivalent required transfer courses to be completed the summer prior to enrollment, but if the courses are not completed the offer of admission may be rescinded.

Normally, a major is not conceived as having a vocational focus or orientation and may or may not be directly related to vocational goals. In all LAS programs, however, it is expected that students will obtain methods of study and approaches to problems to aid them in achieving specific vocational goals. Students with special professional goals, such as law school and medical school, may successfully follow any number of undergraduate programs. For example, there are students with pre-law interests in many fields, including political science, philosophy, mathematics, economics and English. There are students with pre-medical interests concentrating in English or history, as well as biology, chemistry, or psychology.

Pre-Professional Programs
Students planning to pursue a Pre-Dentistry, Pre-Law or Pre-Medicine program should refer to the Pre-Professional Programs section, located at the following website: http://admissions.illinois.edu/Content/docs/Handbook_PreProfessional.pdf

(Continued)
Secondary Education Teaching
The Secondary Education option in the College of Liberal Arts and Sciences (LAS) includes content work in your
major and professional education courses in the College of Education. Students who successfully complete this
degree will have a bachelor’s degree in the major area of study and a license to teach that subject (English, Math,
Science or Social Science) in the state of Illinois.

It can be particularly difficult for junior-level students to complete the Secondary Education program within four
years. It is imperative that you work closely with your institution’s advisor and with us so that we can ensure you
are taking the appropriate coursework at the institution you attend prior to entering the University of Illinois. In
some cases, completing the program in four total years may not be possible due to limited course offerings at
your transfer institution. If you have not worked with your advisor or if you decide a little later in your
undergraduate work that you would like to obtain the teaching degree, be prepared for your degree to require
extra time to complete.

For more information on Secondary Education Teaching, please see the Secondary Education Teaching section at
the end of this handbook.

Individual Plans of Study (IPS)
A unique curricular program at the University of Illinois called Individual Plans of Study (IPS) assists
motivated students to design personalized and innovative programs of study under the guidance of faculty
sponsors. As an alternative to the conventional major, IPS features sponsorship by a faculty advisor and program
approval by the IPS Advisory Committee. IPS students must meet the regular LAS requirements in Composition,
General Education, Language Requirement and advanced hours. Students desiring further information about IPS
should inquire with Bob Steltman at 2002 Lincoln Hall, Urbana, IL, 61801, Email steltman@illinois.edu, Phone
(217) 333-1705.

Second Bachelor’s Degree
Due to enrollment constraints, second bachelor’s degree applicants to the College of Liberal Arts and Sciences
must have demonstrated academic success in the curriculum to which they apply beyond the junior-level
minimum requirements for admission. Demonstrated academic success includes successful completion of courses
in the discipline or courses that are directly applicable to major requirements. Applicants must also submit a
rationale for the second bachelor’s degree in the context of prior or planned degrees, current occupation, and/or
career goals.

Honors
Transfer students who wish to be considered for self-nomination into the LAS Honors Program may apply from
June 1 through June 30 on an annual basis. All applicants must have earned a cumulative transfer grade
point average of 3.50 or higher to be considered. Please visit the following link when the application opens in June: https://las.illinois.edu/academics/honors/admissions.
African American Studies

African American Studies: http://catalog.illinois.edu/undergraduate/las/african-american-studies-balas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.
Anthropology

Anthropology: [http://catalog.illinois.edu/undergraduate/las/anthropology-balas/](http://catalog.illinois.edu/undergraduate/las/anthropology-balas/)

Transfer applicants who have completed more than **6 semesters** or **80 hours of coursework** are subject to **an additional review**. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**Admission recommendations** for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry. Completion of equivalent transfer coursework to the **Language Recommendation** is **highly recommended**:

- ANTH 101, Introduction to Anthropology
- ANTH 102, Human Origins and Culture
- RHET 105, Writing and Research¹
- **Supporting Courses**²

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, **to graduate** from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

¹ At most institutions, the equivalent requires a two-course English composition sequence.
² Supporting courses can be selected in a single discipline (building towards a minor) or can be taken from a variety of disciplines related to aspects of interest to the student in Anthropology.
Asian American Studies

Asian American Studies: [http://catalog.illinois.edu/undergraduate/las/asian-american-studies-balas/](http://catalog.illinois.edu/undergraduate/las/asian-american-studies-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.
Astronomy

Astronomy: [http://catalog.illinois.edu/undergraduate/las/astronomy-bslas/](http://catalog.illinois.edu/undergraduate/las/astronomy-bslas/)

Transfer applicants who have completed more than **6 semesters** or **80 hours** are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

For information about the University of Illinois' General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**Admission recommendations** for transfer are as follows, and completion of the **Language Recommendation** is highly recommended:

- **Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

**Sophomore-level transfer admission** requires completion of equivalent transfer coursework to the following University of Illinois course:

- **MATH 220, Calculus** or **MATH 221, Calculus I**

**Sophomore-level transfer admission** highly recommends completion of equivalent transfer coursework to the following University of Illinois course:

- MATH 231, Calculus II

**Junior-level transfer admission** requires completion of all of the **Sophomore-level transfer admission** requirements and completion of equivalent transfer coursework to the following University of Illinois courses:

- **MATH 231, Calculus II**
- **PHYS 211, University Physics: Mechanics**

**Junior-level transfer admission** highly recommends completion of equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III
- PHYS 212, University Physics: Elec & Mag

Completion of transfer equivalents to some of the following University of Illinois courses prior to transfer is highly recommended:

- ASTR 210, Introduction to Astrophysics
- PHYS 213, Univ Physics: Thermal Physics
- PHYS 214, Univ Physics: Quantum Physics
- RHET 105, Writing and Research

1 Students who intend to transfer into Astronomy should enroll in the most advanced mathematics course for which he/she is qualified and continue with mathematics each semester. Differential equations and/or advanced calculus are recommended for students who complete introductory calculus before the end of their sophomore year.

2 If the transferable physics sequence at the community college is equivalent to the university physics sequence at the University of Illinois (PHYS 211, 212, 213, and 214), an equivalent of the University of Illinois' MATH 220: Calculus, must first be completed as a prerequisite to the physics sequence.

3 At most institutions, the equivalent requires a two-course English composition sequence.

**CONTACT INFORMATION**: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498; E-mail: las-newstudent@illinois.edu
Atmospheric Sciences

Atmospheric Sciences: http://catalog.illinois.edu/undergraduate/las/atmospheric-sciences-bslas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer are as follows, and completion of the Language Recommendation is highly recommended:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Sophomore-level transfer admission highly recommends completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement:

- CHEM 102, General Chemistry I
- CHEM 103, General Chemistry Lab I
- MATH 220, Calculus
- MATH 231, Calculus II

Junior-level transfer admission highly recommends completion of all the sophomore-level transfer admission recommendations and completion of equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III
- PHYS 211, University Physics: Mechanics

Completion of transfer equivalents to some of the following University of Illinois courses prior to transfer is highly recommended:

- ATMS 201, General Physical Meteorology
- ATMS 303, Synoptic-Dynamic Weather Analysis (if available)
- ATMS 304, Radiative Transfer-Remote Sens (if available)
- ATMS 305, Computing and Data Analysis (if available)
- RHET 105, Writing and Research

---

1 MATH 220 will be required for sophomore-level admission effective spring 2023.
2 MATH 231 will be required for junior-level admission effective spring 2023.
3 PHYS 211 will be required for junior-level admission effective spring 2023.
4 At most institutions, the equivalent requires a two-course English composition sequence.
Biochemistry

Biochemistry: [http://catalog.illinois.edu/undergraduate/las/biochemistry-bs/](http://catalog.illinois.edu/undergraduate/las/biochemistry-bs/)

Transfer applicants who have completed more than 6 semesters or 80 hours are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 3.20 or higher (A=4.00) is required for admission. A technical GPA (including biology, chemistry, math and physics courses) of 3.20 or higher is required for admission. Applicants are considered on a space available basis.

Admission recommendations for transfer are as follows, and the junior-level transfer requirements, which include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics,** must be successfully completed prior to the desired term of entry. Completion of the Language Recommendation is highly recommended.

**Language Recommendation:** There is no longer a language requirement for transfer admission. The Biochemistry program of study requires completion through the third level of one language other than English, either in high school or college, to graduate from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

**Sophomore-level transfer admission requires** completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement:

- **CHEM 102, General Chemistry I** and **CHEM 103, General Chemistry Lab I**
- **CHEM 104, General Chemistry II** and **CHEM 105, General Chemistry Lab II**
- **MATH 220, Calculus**
- **MCB 150, Molec & Cellular Basis of Life**

**Junior-level transfer admission requires** completion of all of the Sophomore-level transfer admission requirements and completion of equivalent transfer coursework to the following University of Illinois courses:

- **MATH 231, Calculus II**

Completion of transfer equivalents to some of the following University of Illinois courses and the following general education categories prior to transfer is highly recommended:

- **MATH 241, Calculus III**
- **PHYS 211, University Physics: Mechanics**
- **RHET 105, Writing and Research**
- Humanities & the Arts
- Social & Behavioral Sciences

(Continued)

---

1 Completion of a two-semester sequence of introductory biology, designed for majors, is highly recommended. The MCB Placement Test should be completed prior to registration to determine the student’s level of biology proficiency.

2 For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened/](https://courses.illinois.edu/gened/).

3 At most institutions, the equivalent requires a two-course English composition sequence.

**CONTACT INFORMATION:** Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498; E-mail: las-newstudent@illinois.edu
If the recommended coursework listed above is not completed prior to transfer, the length of time to degree completion may increase. Due to the nature of the biology sequence, a Junior-level transfer student should expect to complete six (6) semesters on campus to complete the Biochemistry program of study.
Brain and Cognitive Science

The Brain and Cognitive Science major provides fundamental training in psychology, neuroscience, and computation, and it allows a great deal of flexibility with regard to more advanced courses. The major requires training in statistics, a laboratory course, and the capstone course. Students should contact our Undergraduate Advising Office for help in creating a plan of study and research that best meets their goals and interests.

The Brain and Cognitive Science major is not open to students who have completed more than 50 hours of transferable college coursework due to pre-requisite course sequencing. A grade point average of 3.00 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

- PSYC 100, Intro Psych
- RHET 105, Writing and Research
- STAT 100, Statistics or PSYC 235, Intro to Statistics

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalent coursework to the following University of Illinois course and graduation requirement prior to transfer is highly recommended:

- PSYC 204, Intro to Brain and Cognition or PSYC 210, Behavioral Neuroscience
- or PSYC 216, Child Psych or PSYC 220, Images of Mind or PSYC 224, Cognitive Psych
- or PSYC 230, Perception & Sensory Processes or PSYC 248, Learning and Memory
- BCOG 100, Introduction to the Brain and Cognitive Science or BCOG 200, Introduction to Programming for the Brain and Cognitive Sciences
- ANTH 101, Introduction to Anthropology or ANTH 102, Human Origins and Culture
- or ANTH 104, Talking Culture or ANTH 143, Biology of Human Behavior
- INFO 102, Little Bits to Big Ideas or CS 125, Intro to Computer Science
- LING 100, Intro to Language Science
- PHIL 101, Introduction to Philosophy or PHIL 102, Logic and Reasoning

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 Either of these courses will work. Students are allowed credit for only one introductory statistics course at UIUC. Please contact the Assistant Director of Course Articulation at (217) 300-8606 if you have questions.

**CONTACT INFORMATION:** Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL  61801; Phone: (217) 333-1703; Fax: (217) 244-9498 E-mail: las-newstudent@illinois.edu
Chemical and Biomolecular Engineering

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 3.20 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry. Completion of equivalent transfer coursework to the **Language Recommendation** is **highly recommended**:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The Chemical and Biomolecular Engineering program of study requires completion through the third level of one language other than English, either in high school or college, to graduate from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

**Sophomore-level transfer admission requires** completion of equivalent transfer coursework to the following University of Illinois courses:

- CHEM 202, Accelerated Chemistry I
- CHEM 203, Accelerated Chemistry Lab I
- CHEM 204, Accelerated Chemistry II
- CHEM 205, Accelerated Chemistry Lab II
- MATH 220, Calculus
- MATH 231, Calculus II
- PHYS 211, University Physics: Mechanics

**Junior-level transfer admission requires** completion of all **sophomore-level transfer admission** requirements and equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III
- PHYS 212, University Physics: Elec & Mag

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- CHEM 236, Fundamental Organic Chem I
- CHEM 237, Structure and Synthesis
- CHEM 436, Fundamental Organic Chem II
- CS 101, Intro Computing: Engrq & Sci
- MATH 285, Intro Differential Equations
- MATH 415, Applied Linear Algebra
- PHYS 214, Univ Physics: Quantum Physics
- RHET 105, Writing and Research

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education categories prior to transfer is also highly recommended:

- Humanities and the Arts
- Social & Behavioral Sciences

(Continued)
Due to the specialized nature of Chemical and Biomolecular Engineering curriculum, Junior-level transfer students typically require a total of five or six semesters on our campus to be graduated. We believe that this extra semester or two is a worthwhile investment if it maximizes your opportunity for success, and our experience strongly suggests that it does.

1. Students who have taken a non-accelerated general chemistry sequence will enroll in CHEM 222, Quantitative Analysis Lecture and CHEM 223, Quantitative Analysis Lab, after transferring.
2. Depending on the available courses, the 3-semester sequence in calculus and analytic geometry, including basic linear algebra and matrix theory, should be equivalent to at least 12 semester hours.
3. Depending on the available courses, the most advanced physics sequence or the one for engineering majors must be followed. If no 3-semester, 12-hour sequence is available for engineering majors, a 2-semester, 10-hour sequence may also be acceptable, provided it includes modern physics.
4. The computer course must be a course in FORTRAN, C, C++, MATLAB, or Python programming, including numerical methods (University of Illinois CS 101, Intro Computing: Engrg & Sc); it should be a course intended for engineering majors.
5. At most institutions, the equivalent requires a two-course English Composition sequence.
6. For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).
7. Sixteen hours of approved general education electives are required. This must include at least six hours in Social Sciences or Behavioral Sciences and at least six hours in Literature and the Arts or Historical and Philosophical perspectives. A current list of approved courses that may be used to satisfy this general education requirement is available in Room 209 RAL or the Undergraduate Program in Chemical Engineering website at: [http://catalog.illinois.edu/undergraduate/las/chemical-engineering-bs/#text](http://catalog.illinois.edu/undergraduate/las/chemical-engineering-bs/#text). If you have more than six hours in either category, the excess will be counted as other Humanities or Social Science hours. Students entering college in Fall 1995 or later must satisfy the distribution requirements in Western and Non-Western Cultures. See LAS General Education Handout for details.
Chemistry Major and the Specialized Curriculum in Chemistry

Chemistry Major or Specialized Curriculum: [http://catalog.illinois.edu/undergraduate/las/chemistry-bs/](http://catalog.illinois.edu/undergraduate/las/chemistry-bs/)

Transfer students seeking to complete an American Chemical Society [ACS] accredited program in Chemistry will need to meet with the Department of Chemistry and seek to complete the Specialized Curriculum in Chemistry after arrival on campus. Due to the nature and makeup of the Specialized Curriculum in Chemistry, time to degree completion for transfer students may likely be extended.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer are as follows and completion of the Language Recommendation for both programs is highly recommended:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college. The Specialized Curriculum in Chemistry only requires completion through the third level of one language other than English in high school or college. It is strongly recommended that transfer applicants complete the graduation requirement for their program of study prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

**Chemistry – Sciences and Letters Curriculum**

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses:

- **CHEM 102**, General Chemistry I¹ and **CHEM 103**, General Chemistry Lab I¹
- **CHEM 104**, General Chemistry II¹ and **CHEM 105**, General Chemistry Lab II¹
- **MATH 220**, Calculus²
- **MATH 231**, Calculus II²
- **RHET 105**, Writing and Research³

Junior-level transfer admission highly recommends completion of equivalent transfer coursework to the following University of Illinois courses:

- **MATH 241**, Calculus III²

(Continued)
Specialized Curriculum in Chemistry

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement:

- CHEM 202, Accelerated Chemistry I\(^1\) and CHEM 203, Accelerated Chemistry Lab I\(^1\) and CHEM 204, Accelerated Chemistry II\(^1\) and CHEM 205, Accelerated Chemistry Lab II\(^1\) or CHEM 102, General Chemistry I\(^1\) and CHEM 103, General Chemistry Lab I\(^1\)
- CHEM 104, General Chemistry II\(^1\) and CHEM 105, General Chemistry Lab II\(^1\)
- MATH 220, Calculus\(^2\)
- MATH 231, Calculus II\(^2\)
- RHET 105, Writing and Research\(^3\)

Junior-level transfer admission highly recommends completion of equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III\(^2\)
- CHEM 332, Elementary Organic Chem II or CHEM 436, Fundamental Organic Chem II
- PHYS 211, University Physics: Mechanics\(^5\)
- PHYS 212, University Physics: Elec & Mag\(^5\)

Due to the unique structure of the Specialized Curriculum in Chemistry, transfer students who enter at the Junior level by credit hours completed typically require a total of five or six semesters on our campus to graduate. We believe that this extra semester or two is a worthwhile investment if it maximizes your opportunity for success, and our experience strongly suggests that it does. Students who join us with fewer than 60 credit hours will typically be able to complete their graduation requirements in a more traditional total of four years of college.

---

\(^1\) Students who have completed a non-accelerated general chemistry sequence and choose the Specialized Curriculum in Chemistry will enroll in CHEM 222, Quantitative Analysis Lecture and CHEM 223, Quantitative Analysis Lab, after transferring. CHEM 222 and CHEM 223 are optional for the Chemistry major. Students pursuing a Science and Letters Curriculum may complete coursework equivalent to the University of Illinois’ CHEM 102-105 sequence or CHEM 202-205 sequence.

\(^2\) The transfer equivalent to the University of Illinois’ three-course Calculus sequence (MATH 220, 231 and 241) is highly recommended to be completed prior to transfer.

\(^3\) At most institutions, the equivalent requires a two-course English composition sequence.

\(^4\) If the Organic Chemistry sequence is not completed by equivalent transfer coursework, time to degree completion for transfer students will likely be extended for this program of study.

\(^5\) Depending on the available courses, the most advanced physics sequence or the one for engineering majors must be followed. If no 3-semester, 12-hour sequence is available for engineering majors, a 2-semester, 10-hour sequence may also be acceptable, provided it includes modern physics.
Classics (Including Greek and Latin)

Classics: (Greek & Latin): http://catalog.illinois.edu/undergraduate/las/classics-balas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry.

- CMN 101, Public Speaking
- RHET 105, Writing and Research

Completion of equivalent transfer coursework to the Language Recommendation is highly recommended:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

______

1 At most institutions, the equivalent requires a two-course English composition sequence.

CONTACT INFORMATION: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498; E-mail: las-newstudent@illinois.edu
Communication

Communication: http://catalog.illinois.edu/undergraduate/las/communication-balas/

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- CWL 189, Lit of Asia & Africa I
- CWL 190, Lit of Asia & Africa II
- CWL 241, Early Masterpieces of Western Culture or CWL 242, Modern Masterpieces of Western Culture
- ENGL 101, Intro to Poetry or ENGL 102, Intro to Drama or ENGL 103, Intro to Fiction
- HIST 141, Western Civ to 1660
- HIST 142, Western Civ Since 1660
- RHET 105, Writing and Research

1 At most institutions, the equivalent requires a two-course English composition sequence.
Computer Science and Liberal Arts and Sciences Disciplines

This is an LAS major in Computer Science in conjunction with one of the following LAS Disciplines: Anthropology, Astronomy, Chemistry and Linguistics. Each is a flexible program for students who plan to pursue technical or professional careers in arts and sciences areas requiring a sound grounding in computer science. Students can use the supporting coursework to prepare for employment immediately upon graduation or for pursuing graduate study in a wide variety of fields or to complete a significant body of courses in a single area, such as a double major or minor. Examples include programming in sciences (such as bioinformatics, population genetics, demography, geographic information sciences, climate modeling, or social network analysis) or in the humanities (such as digital restoration, textual analyses, or other areas) or social sciences (such as population research). Information about these disciplines can be found at: https://cs.illinois.edu/academics/undergraduate/degree-program-options/cs-x-degree-programs#requirements

While Computer Science + X programs are open for intercollegiate/interdepartmental transfer, students who are not directly admitted to a CS + X major must be admitted to a CS + X major by the student's sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Liberal Arts and Sciences.

Students interested in Mathematics or Statistics should enroll in the MATH & CS or STAT & CS programs of study.

Major in Sciences and Letters Curriculum

Computer Science and Anthropology

Please confer with the Computer Science advisor as well as the advisor in Anthropology.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Anthropology. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Anthropology. Applicants are considered on a space available basis.

For information about the University of Illinois' General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Completion of equivalent transfer coursework to the Language Recommendation is highly recommended:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

(Continued)
Sophomore-level transfer admission requires completion of equivalent transfer coursework to some of the following University of Illinois courses:

- **CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science**
- **MATH 220, Calculus**
- **MATH 231, Calculus II or CS 173, Discrete Structures**

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois course:

**CS 225, Data Structures (minimum grade of A-)**

Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- ANTH 101, Introduction to Anthropology
- ANTH 102, Human Origins and Culture
- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures
- RHET 105, Writing and Research

Supporting Courses

---

1. CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.

2. It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.

3. At most institutions, the equivalent requires a two-course English composition sequence.

4. Supporting courses can be selected in a single discipline (building towards a minor) or can be taken from a variety of disciplines related to aspects of interest to the student in Anthropology.
Computer Science and Astronomy

Please confer with the Computer Science advisor as well as the advisor in Astronomy.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Astronomy. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Astronomy. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses:

- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II or CS 173, Discrete Structures

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III
- CS 225, Data Structures (minimum grade of A-)

Junior-level transfer admission highly recommends completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer:

- ASTR 210, Introduction to Astrophysics
- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures
- PHYS 211, University Physics: Mechanics
- PHYS 212, University Physics: Elec & Mag
- PHYS 213, Unv Physics: Thermal Physics
- PHYS 214, Univ Physics: Quantum Physics
- RHET 105, Writing and Research

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

---

1 CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engr & Sci, may be substituted.
2 It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.
3 At most institutions, the equivalent requires a two-course English composition sequence.

CONTACT INFORMATION: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498; E-mail: las-newstudent@illinois.edu
Computer Science and Chemistry

Please confer with the Computer Science advisor as well as the advisor in Chemistry.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Chemistry. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Chemistry. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses:

- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II or CS 173, Discrete Structures

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois courses:

- MATH 231, Calculus II
- STAT 100, Statistics
- CS 225, Data Structures (minimum grade of A-)

Sophomore-level transfer admission to Chemistry highly recommends completion of transfer equivalents to the following University of Illinois courses and graduation requirement:

- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- RHET 105, Writing and Research

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

(Continued)
Junior-level transfer admission to Chemistry highly recommends completion of all of the sophomore-level transfer admission recommendations and equivalent transfer coursework to the following University of Illinois courses:

- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures
- MATH 225, Introductory Matrix Theory

Completion of transfer equivalents to the following University of Illinois courses prior to transfer to both programs is highly recommended:
- PHYS 101, College Physics: Mech & Heat
- PHYS 102, College Physics: E&M & Modern

---

1 CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.
2 It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.
3 At most institutions, the equivalent requires a two-course English composition sequence.
4 If the Organic Chemistry sequence is not completed by equivalent transfer coursework, time to degree completion for transfer students may likely be extended for this program of study.
Computer Science and Economics

Please confer with the Computer Science advisor as well as the advisor in Economics.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Economics. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Economics. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Sophomore-level transfer admission requires completion of equivalent transfer coursework to some of the following University of Illinois courses:

- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science¹
- ECON 102, Microeconomic Principles (minimum grade of B)
- ECON 103, Macroeconomic Principles (minimum grade of B)
- MATH 220, Calculus²
- MATH 231, Calculus II or CS 173, Discrete Structures³

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois courses:

- CS 225, Data Structures (minimum grade of A-)

Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- ECON 202, Economic Statistics I
- ECON 203, Economic Statistics II
- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures
- MATH 225, Introductory Matrix Theory
- RHET 105, Writing and Research⁴

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

¹ CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.
² MATH 234, Calculus for Business I IS NOT permitted as a substitute for MATH 220.
³ It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.
⁴ At most institutions, the equivalent requires a two-course English composition sequence.

CONTACT INFORMATION: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498; E-mail: las-newstudent@illinois.edu
Computer Science and Geography & Geographic Information Science

Please confer with the Computer Science advisor as well as the advisor in Geography and Geographic Information Sciences.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Geography & Geographic Information Science. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Geography. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Sophomore-level transfer admission requires completion of equivalent transfer coursework to some of the following University of Illinois courses:

- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II or CS 173, Discrete Structures

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois course:

- CS 225, Data Structures (minimum grade of A-)

Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- Introductory GIS coursework
- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures
- RHET 105, Writing and Research

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

---

1 CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing; Engrg & Sci, may be substituted.

2 It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.

3 At most institutions, the equivalent requires a two-course English composition sequence.
Computer Science and Linguistics

Please confer with Computer Science advisor as well as the advisor in Linguistics.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Linguistics. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Linguistics. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

**Sophomore-level transfer admission** requires completion of equivalent transfer coursework to the following University of Illinois courses:
- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II or CS 173, Discrete Structures

**Junior-level transfer admission** requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois course:
- CS 225, Data Structures (minimum grade of A-)

**Sophomore-level transfer admission** highly recommends completion of transfer equivalents to the following University of Illinois courses:
- CS 173, Discrete Structures
- CW 104, Introductory Narrative Writing or CW 106, Introductory Poetry Writing
- LING 100, Intro to Language Science
- LING 225, Language, Mind, and Brain
- PSYC 100, Intro Psych
- RHET 105, Writing and Research
- RHET 233, Adv Rhetoric & Composition
- Supporting Elective

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to **graduate** from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

(Continued)
Junior-level transfer admission highly recommends completion of transfer equivalents to the following University of Illinois courses:
- CS 128, Intro to Computer Science II
- MATH 241, Calculus III

1 CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.
2 It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.
3 If transfer equivalents to these courses are not available, students should choose transferable general education or elective courses.
4 At most institutions, the equivalent requires a two-course English composition sequence.
5 Refer to the statement on supporting coursework in the LAS Linguistics section of the current Programs of Study.
6 It is highly recommended that an equivalent transfer course to MATH 241, Calculus III, be completed prior to transfer if you plan to specialize in Machine Learning; however, transfer will be considered without completion of an equivalent course.
Computer Science and Philosophy

Please confer with the Computer Science advisor as well as the advisor in Philosophy

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A cumulative grade point average of 3.50 or higher (A=4.00) is required for admission to Computer Science & Philosophy. However, a minimum grade of A- is required on each Computer Science course taken. Applicants should also have a demonstrated interest in Philosophy. Applicants are considered on a space available basis.

For information about the University of Illinois' General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Sophomore-level transfer admission requires completion of equivalent transfer coursework to some of the following University of Illinois courses:

- **CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science**¹
- **MATH 220, Calculus**
- **MATH 231, Calculus II or CS 173, Discrete Structures**²

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois courses:

**CS 225, Data Structures** (minimum grade of A-)

Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- Introductory Coursework in Philosophy
- PHIL 202, Symbolic Logic
- PHIL 203, Ancient Philosophy or PHIL 206, Early Modern Philosophy
- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures
- RHET 105, Writing and Research³
- Supporting Courses⁴

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

---

¹ CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.
² It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without completion of an equivalent course.
³ At most institutions, the equivalent requires a two-course English composition sequence.
⁴ Supporting courses can be selected in a single discipline (building towards a minor) or can be taken from a variety of disciplines related to aspects of interest to the student in Philosophy.

Creative Writing

Creative Writing: [http://catalog.illinois.edu/undergraduate/las/creative-writing-balas/](http://catalog.illinois.edu/undergraduate/las/creative-writing-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- ENGL 218, Introduction to Shakespeare
- CWL 241, Early Masterpieces of Western Culture and CWL 242, Modern Masterpieces of Western Culture
- or HIST 141, Western Civ to 1660 and HIST 142, Western Civ Since 1660
- or HIST 171, US History to 1877 and HIST 172, US History Since 1877
- or HIST 255, British Isles to 1688 and HIST 256, Britain and World Since 1688
- RHET 105, Writing and Research

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Earth, Society and Environmental Sustainability
Science of the Earth System (SES)

Science of the Earth System:
http://catalog.illinois.edu/undergraduate/las/earth-society-environmental-sustainability-bslas/science-of-the-earth-system/

An online undergraduate degree, a Bachelor of Science degree in Earth, Society and Environmental Sustainability is being offered by the School of Earth, Society, and Environment. The transfer requirements for this degree program are the same as for the regular campus program. Information concerning this program can be found at the following link: https://earth.illinois.edu/academics/online-bachelor-degree. Any questions concerning this degree program may be directed to the contact person listed below or to Dr. Jonathan Tomkin, who may be contacted at: tomkin@illinois.edu or call (217) 244-2928.

This is an online program. I-20s will not be issued to international students who enroll in this program.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended:

- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- ECON 102, Microeconomic Principles or ACE 100, Agr Cons and Resource Econ
- MATH 220, Calculus
- PHYS 101, College Physics: Mech & Heat or PHYS 211, University Physics: Mechanics
- RHET 105, Writing and Research⁴
- STAT 100, Statistics or ECON 202, Economic Statistics I

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education categories² prior to transfer is also highly recommended:

- Cultural Studies: Non-Western/U.S. Minority Culture(s)
- Cultural Studies: Western/Comparative Culture(s)
- Humanities & the Arts: Literature & the Arts
- Natural Sciences & Technology: Life Sciences, Earth’s Bio Systems³
- Natural Sciences & Technology: Physical Sciences, Earth’s Physical Systems⁴
- Social & Behavioral Sciences: Social Sciences⁵

¹ At most institutions, the equivalent requires a two-course English composition sequence.
² For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.
³ An equivalent to one of the following: GEOL 143; IB 100, 103, 105, 150 or MCB 150.
⁴ An equivalent to one of the following: ATMS 100, 120, 140; GEOG 103; GEOL 100, 104, 107, 117 or 118.
⁵ An equivalent to one of the following: ANTH 102; GEOG 104; PS 100 or SOC 100.
Earth, Society and Environmental Sustainability
Society and the Environment (SAE)

Society and the Environment:
http://catalog.illinois.edu/undergraduate/las/earth-society-environmental-sustainability-bslas/society-the-environment/

An online undergraduate degree, a Bachelor of Science degree in Earth, Society and Environmental Sustainability is being offered by the School of Earth, Society, and Environment. The transfer requirements for this degree program are exactly the same as for the regular campus program. Information concerning this program can be found at the following link: https://earth.illinois.edu/academics/online-bachelor-degree.

Any questions concerning this degree program may be directed to the contact person listed below or to Dr. Jonathan Tomkin, who may be contacted at: tomkin@illinois.edu or call (217) 244-2928. This is an online program. I-20s will not be issued to international students who enroll in this program.

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois courses, General Education and/or graduation requirements prior to the desired term of entry.

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- ECON 102, Microeconomic Principles
- RHET 105, Writing and Research
- STAT 100, Statistics or GEOG/SOC 280, Intro to Social Statistics

Completion of transfer equivalents to some of the University of Illinois coursework which satisfy the following general education categories prior to transfer is also highly recommended:

- Cultural Studies: Non-Western/U.S. Minority Culture(s)
- Cultural Studies: Western/Comparative Culture(s)
- Humanities & the Arts: Historical & Philosophical Perspectives
- Humanities & the Arts: Literature & the Arts
- Natural Sciences & Technology: Life Sciences, Earth’s Bio Systems
- Natural Sciences & Technology: Physical Sciences, Earth’s Physical Systems
- Social & Behavioral Sciences: Social Sciences

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.
3 An equivalent to one of the following: GEOL 143; IB 100, 103, 105, 150 or MCB 150.
4 An equivalent to one of the following: ATMS 100, 120, 140; GEOG 103; GEOL 100, 104, 107, 117 or 118.
5 An equivalent to one of the following: ANTH 102; GEOG 104; PS 100 or SOC 100.

East Asian Languages and Cultures

East Asian Languages/Cultures:
http://catalog.illinois.edu/undergraduate/las/east-asian-languages-cultures-balas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

RHET 105, Writing and Research

Students in East Asian Languages and Cultures must complete EALC 120, East Asian Civilizations, as a graduation requirement.

For electives, special consideration should be given to courses that contribute to an understanding of the broad background against which the region and cultures of the area are studied. Examples are general courses in anthropology, economics, geography, Asian and modern European or world history, world literature, political science and sociology. See the description of the requirements for each of these programs at the website at the top of the page.

1 At most institutions, the equivalent requires a two-course English composition sequence.
Economics

Economics:  [http://catalog.illinois.edu/undergraduate/las/economics-balas/](http://catalog.illinois.edu/undergraduate/las/economics-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry:

- **ECON 102, Microeconomic Principles** (minimum grade of B)
- **ECON 103, Macroeconomic Principles** (minimum grade of B)
- **MATH 220, Calculus I** (minimum grade of C)

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the **Language Recommendation** is highly recommended.

Completion of a transfer equivalent to the University of Illinois’ **MATH 231, Calculus II**, prior to transfer is very strongly recommended.

Completion of transfer equivalents to some of the following University of Illinois courses prior to transfer is highly recommended:

- **ECON 202, Economic Statistics I**
- **ECON 203, Economic Statistics II**
- **RHET 105, Writing and Research**

---

1 MATH 234, Calculus for Business I IS NOT permitted as a substitute for MATH 220.

2 At most institutions, the equivalent requires a two-course English composition sequence.
Econometrics and Quantitative Economics

Econometrics and Quantitative Economics:
http://catalog.illinois.edu/undergraduate/las/econometrics-quantitative-economics-bslas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

1 At most institutions, the equivalent requires a two-course English composition sequence.
Gender and Women’s Studies

Gender and Women’s Studies: [http://catalog.illinois.edu/undergraduate/las/gender-womens-studies-balas/](http://catalog.illinois.edu/undergraduate/las/gender-womens-studies-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- RHET 105, Writing and Research¹
- Gender Studies Electives

¹ At most institutions, the equivalent requires a two-course English composition sequence.
Geography and Geographic Information Science

**Geography:** [http://catalog.illinois.edu/undergraduate/las/geography-geographic-information-science-balas/](http://catalog.illinois.edu/undergraduate/las/geography-geographic-information-science-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**Admission recommendations** for transfer include completion of equivalent transfer coursework to the following University of Illinois courses, General Education and/or graduation requirements prior to the desired term of entry.

- GEOG 101, Global Development & Environment
- GEOG 103, Earth’s Physical Systems
- GEOG 104, Social and Cultural Geography
- RHET 105, Writing and Research

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the **Language Recommendation** is highly recommended.

Students specializing in the Physical Environment are encouraged to select transfer equivalents to MATH 220, Calculus.

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education category prior to transfer are also highly recommended:

- Social & Behavioral Sciences

---

1 If physical geography is not offered, students should select transfer equivalents to the physical science courses from the University of Illinois’ General Education requirements listed at the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

2 At most institutions, the equivalent requires a two-course English composition sequence.

3 For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).
Geology Major and the Specialized Curriculum in Geology

Geology: [http://catalog.illinois.edu/undergraduate/las/geology-bs/](http://catalog.illinois.edu/undergraduate/las/geology-bs/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Students intending to major in Geology at Illinois should request a copy of the "Guide for Geology Undergraduates" from the Department of Geology, Room 3028, Natural History Building, 1301 W. Green St., Urbana, IL 61801, (217) 244-4064.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry.

- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- GEOL 107, Physical Geology
- MATH 220, Calculus
- PHYS 101, College Physics: Mech & Heat or PHYS 211, University Physics: Mechanics
- PHYS 102, College Physics: E&M & Modern or PHYS 212, University Physics: Elec & Mag
- RHET 105, Writing and Research

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

---

1 The Specialized Curriculum in Geology and Geophysics in the current Programs of Study requires three semesters of Calculus; whereas, the Sciences and Letters curriculum major in Geology requires only one semester of Calculus.
2 PHYS 101, College Physics: Mech & Heat and PHYS 102, College Physics: E&M & Modern OR PHYS 211, University Physics: Mechanics and PHYS 212, University Physics: Elec & Mag will satisfy the Physics requirement for the Geology major. For the Geophysics option, PHYS 211, 212, 213 and 214 are required for graduation.
3 At most institutions, the equivalent requires a two-course English composition sequence.
Germanic Studies

**German:** [http://catalog.illinois.edu/undergraduate/las/germanic-studies-balas/](http://catalog.illinois.edu/undergraduate/las/germanic-studies-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**Admission recommendations** for transfer include completion of equivalent transfer coursework to the following University of Illinois course and graduation requirement prior to the desired term of entry.

RHET 105, Writing and Research

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to **graduate** from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the **Language Recommendation** is **highly recommended.**

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Global Studies

Transfer applicants who have completed more than 4 semesters or 60 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. It is important to note that Global Studies requires that students study abroad for one semester. Most study abroad programs now require a 3.0 minimum GPA, so it is highly recommended that your GPA be approaching that level. If your GPA is under 3.0, please contact LAS Global Studies to consult with an advisor (globalstudies@illinois.edu).

Students are advised to transfer into Global Studies with no more than 45 hours of college credit. In order to meet the University of Illinois residency requirement of 60 hours on campus, as well as the Global Studies study abroad requirement, students with more than 45 hours of credit should plan for at least five semesters of post-transfer undergraduate work.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Global Studies requires at least 6 credits of advanced language coursework beyond the LAS minimum graduation requirement. Transfer students must take the appropriate language placement tests before registering for classes and should ideally be taking language courses at their current institution prior to transfer. Study abroad locations and regional focus within the major are based on the student’s language used for the major.

Global Studies strongly recommends that students have completed the Composition I requirement\(^1\) and most of the other University of Illinois General Education degree requirements before entering the major. Additionally, completion of exact course equivalents for some of the following University of Illinois courses is recommended for transfer, as they complete the interdisciplinary core course requirement for the major. To learn more about all of the core course options, please refer to: https://globalstudies.illinois.edu/academics/course-catalog

- ANTH 230, Sociocultural Anthropology
- HIST 258, 20\textsuperscript{th}C World to Midcentury or HIST 259, 20\textsuperscript{th}C World from Midcentury
- PS 241, Comp Politics in Dev Nations or PS 280, Intro to Intl Relations
- SOC 270, Global Demography

Students are encouraged to visit https://www.transferology.com to see if a course taken at another institution will transfer as an exact course equivalent.
For electives, special consideration should be given to courses that satisfy the major requirements under Area Studies and Thematic Area. Such courses should contribute to an understanding of the broad background against which the region and cultures of a student’s particular area of the world are studied. Examples are general courses in anthropology, economics, geography, history, literature, political science and sociology.

Prospective transfer students are encouraged and welcome to contact Global Studies at globalstudies@illinois.edu for further guidance in choosing coursework because of the individualized nature of the major.

1 Completion of an equivalent to RHET 105, Writing and Research, or completion of a two course English/Rhetoric sequence which articulates as a UCI 1- AND a UCII 1-.
**History**

Transfer applicants who have completed more than **6 semesters** or **80 hours of coursework** are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). **A grade point average of 2.70 or higher (A=4.00) is required for admission.** Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened). Please note that General Education requirements for History majors interested in gaining secondary education teaching certification are very specific. Please see the Secondary Education Teaching section at the end of this handbook for more information.

**Admission recommendations** for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry. Completion of equivalent transfer coursework to the **Language Recommendation** is highly recommended:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to **graduate** from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses prior to transfer is highly recommended:
- HIST 100, Global History
- HIST 141, Western Civ to 1660
- HIST 142, Western Civ Since 1660
- HIST 171, US History to 1877
- HIST 172, US History Since 1877
- RHET 105, Writing and Research

---

1 It is recommended that students majoring in History complete two of the five courses listed above. Students will only receive credit towards the History major requirements by taking two of the History courses outlined. Additional History courses will count towards total credit hours for graduation.

2 At most institutions, the equivalent requires a two-course English composition sequence.
History of Art

History of Art:  http://catalog.illinois.edu/undergraduate/las/history-art-balas/

Transfer applicants who have completed more than 6 semesters or 80 hours are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry.
- ARTH 110, Introduction to the History of Art and Visual Culture
- RHET 105, Writing and Research

Supporting Courses

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 Electives should be selected with consideration to the supporting course requirements for the major. See the description of the requirement in the Liberal Arts and Sciences Art History Section in the current Programs of Study, which may be found in the website at the top of the page.
Integrative Biology

Integrative Biology: [http://catalog.illinois.edu/undergraduate/las/integrative-biology-bslas/](http://catalog.illinois.edu/undergraduate/las/integrative-biology-bslas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). To be considered for admission, applicants must demonstrate proficiency of subject matter by earning a minimum 3.00 (A=4.00) grade point average (GPA) in the required technical subjects (biology, chemistry, physics and math) and a minimum 2.70 (A=4.00) cumulative GPA for all transfer coursework completed. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry.

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is **highly recommended**:

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses:

- **IB 103, Introduction to Plant Biology**
- or **IB 104, Animal Biology**
- or **IB 150, Organismal & Evolutionary Biol**
- or **MCB 150, Molec & Cellular Basis of Life**

For sophomore-level transfer admission, completion of transfer course equivalents to the following University of Illinois courses prior to transfer is highly recommended:

- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- RHET 105, Writing and Research

Junior-level transfer admission requires completion of transfer course equivalents to the following University of Illinois courses:

- **CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I**
- **CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II**
- **IB 150, Organismal & Evolutionary Biol**
- **MCB 150, Molec & Cellular Basis of Life**

(Continued)
For junior-level transfer admission, completion of transfer course equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- MATH 220, Calculus
- STAT 212, Biostatistics
- RHET 105, Writing and Research

Please refer to Transferology at https://www.transferology.com for transfer course information. Contact the IB Advising Office at 217-333-3046 or prospective@sib.illinois.edu for additional information. If no equivalents to any of the courses listed above are offered at your institution, please explain that in the optional essay in your transfer application.

1 Please refer to Transferology at https://www.transferology.com for transfer course information. Contact the IB Advising Office at 217-333-3046 or prospective@sib.illinois.edu for additional information. If no equivalents to any of the courses listed above are offered at your institution, please explain that in the optional essay in your transfer application.

2 At most institutions, the equivalent requires a two-course English composition sequence.
Interdisciplinary Studies  
Jewish Studies Option

Jewish Studies: [http://catalog.illinois.edu/undergraduate/las/interdisciplinary-studies-balas/jewish-studies/](http://catalog.illinois.edu/undergraduate/las/interdisciplinary-studies-balas/jewish-studies/)

Transfer applicants who have completed more than **6 semesters** or **80 hours of coursework** are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of **2.70 or higher (A=4.00)** is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

RHET 105, Writing and Research

Additionally, completion of electives in Art History, Religion and Philosophy should be considered, including course equivalents for:

- CWL 111 or ENGL 114 or REL 101, Bible as Literature
- HEBR 201, Elementary Modern Hebrew I
- HIST 252 or JS 252, The Holocaust
- JS 201 or REL 212, History of Antisemitism
- REL 108 or ANTH 108 or JS 108 or PHIL 108, Religion & Society in West I
- REL 110, World Religions
- REL 283 or ENGL 283 or CWL 283, Jewish Sacred Literature
- YDSH 101, Beginning Yiddish I

---

1 At most institutions, the equivalent requires a two-course English composition sequence.

**CONTACT INFORMATION**: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498 E-mail: las-newstudent@illinois.edu
Interdisciplinary Studies
Medieval Studies Option

Medieval Studies: [http://catalog.illinois.edu/undergraduate/las/interdisciplinary-studies-balas/medieval-studies/](http://catalog.illinois.edu/undergraduate/las/interdisciplinary-studies-balas/medieval-studies/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- CWL 241, Early Masterpieces of Western Culture or HIST 141, Western Civ to 1660
- CWL 242, Modern Masterpieces of Western Culture or HIST 142, Western Civ Since 1660
- RHET 105, Writing and Research
- European Literature

Additionally, completion of electives in Art History, Religion and Philosophy should be considered.

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Italian

Italian: [http://catalog.illinois.edu/undergraduate/las/italian-balas/](http://catalog.illinois.edu/undergraduate/las/italian-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**Admission recommendations** for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry.

- RHET 105, Writing and Research

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to **graduate** from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the **Language Recommendation** is highly recommended.

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Latina/Latino Studies

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.
Latin American Studies

Latin American Studies: [http://catalog.illinois.edu/undergraduate/las/latin-american-studies-balas/](http://catalog.illinois.edu/undergraduate/las/latin-american-studies-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- RHET 105, Writing and Research

Students in the Latin American Studies Program should complete an equivalent to the University of Illinois’ LAST 170, Introduction to Latin America, if available.

Latin American Studies require study in one language other than English. Select from Spanish, Portuguese, Quechua or Native Languages, e.g., Maya (can be studied at the University of Chicago, University of Illinois consortium partner).

For electives, special consideration should be given to courses that contribute to an understanding of the broad background against which the region and cultures of the area are studied. Examples are general courses in anthropology, economics, geography, Asian and modern European or world history, world literature, political science and sociology. See the description of the requirements for each of these programs at the website at the top of the page.

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Linguistics

Linguistics: [http://catalog.illinois.edu/undergraduate/las/linguistics-balas/](http://catalog.illinois.edu/undergraduate/las/linguistics-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:
- CW 104, Introductory Narrative Writing or CW 106, Introductory Poetry Writing
- LING 100, Intro to Language Science\(^1\)
- LING 225, Language, Mind, and Brain\(^1\)
- PSYC 100, Intro Psych
- RHET 105, Writing and Research\(^2\)
- RHET 233, Adv Rhetoric & Composition
- Supporting Elective\(^3\)

\(^1\) If transfer equivalents to these courses are not available, students should choose transferable general education or elective courses.
\(^2\) At most institutions, the equivalent requires a two-course English composition sequence.
\(^3\) Refer to the statement on supporting coursework in the LAS Linguistics section of the current Programs of Study, which may be found in the website at the top of the page.
Mathematics and Actuarial Science

Mathematics: [http://catalog.illinois.edu/undergraduate/las/mathematics-bslas/](http://catalog.illinois.edu/undergraduate/las/mathematics-bslas/)
Actuarial Science: [http://catalog.illinois.edu/undergraduate/las/actuarial-science-bslas/](http://catalog.illinois.edu/undergraduate/las/actuarial-science-bslas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). An overall grade point average of 2.70 or higher (A=4.00) is required for admission to Mathematics and Actuarial Science. However, Mathematics/Actuarial Science require a 3.00 GPA on each transfer mathematics course taken. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry.

- **Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the **Language Recommendation** is **highly recommended**:

- **Sophomore-level transfer admission to both disciplines requires** completion of equivalent transfer coursework to the following University of Illinois courses. A final grade must be received in one of the Calculus courses at the time of application:
  - **MATH 220, Calculus** I
  - **MATH 231, Calculus II** I

  If you plan to transfer into either of the programs of study with 45 or more completed transferable hours and **have not** completed an equivalent to MATH 241, Calculus III, **the length of time to degree completion may increase**.

  **Junior-level transfer admission to both disciplines requires** completion of all **sophomore-level transfer admission** requirements and equivalent transfer coursework to the following University of Illinois course:
  - **MATH 241, Calculus III** I

(Continued)
Mathematics

For Sophomore-level transfer admission, completion of a transfer equivalent to one of the following University of Illinois courses is highly recommended:
   CS 101, Intro Computing: Engrg & Sci or CS 125, Intro to Computer Science

An additional requirement for Junior-level transfer admission is completion of a transfer equivalent to one of the following University of Illinois courses:
   CS 101, Intro Computing: Engrg & Sci or CS 125, Intro to Computer Science

Actuarial Science

For Sophomore-level transfer admission, completion of an equivalent to ACCY 200, Fundamentals of Accounting, or a survey course in accounting, e.g. a financial accounting course, is highly recommended. Completion of an equivalent to CS 101, CS 105, or CS 125 is also recommended.

An additional requirement for junior-level transfer is completion of a transfer equivalent to one of the following University of Illinois courses:
   CS 101, Intro Computing: Engrg & Sci or CS 105, Intro Computing: Non-Tech or CS 125, Intro to Computer Science

Completion of transfer equivalents to some the following University of Illinois courses prior to transfer is highly recommended. Students majoring in Actuarial Science should select ECON 102, Microeconomic Principles and ECON 103, Macroeconomic Principles, to complete their Social Science General Education requirements in the LAS Sciences and Letters curriculum:
   ECON 102, Microeconomic Principles
   ECON 103, Macroeconomics Principles

1 It is strongly recommended that a calculus sequence comparable to University of Illinois’ MATH 220, Calculus, MATH 231, Calculus II and MATH 241, Calculus III, be completed prior to transfer to either program of study. The recommended minimum GPA for the courses in the calculus sequence is 3.00 (A=4.00).
Mathematics & Computer Science

Math & CS: [http://catalog.illinois.edu/undergraduate/eng_las/mathematics-computer-science-bslas/](http://catalog.illinois.edu/undergraduate/eng_las/mathematics-computer-science-bslas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 3.50 or higher (A=4.00) is required for admission to Mathematics & Computer Science. However, a minimum grade of A- is required on each Computer Science and Mathematics course taken. Applicants are considered on a space available basis.

While the Mathematics and Computer Science program is open for intercollegiate/interdepartmental transfer, students who are not directly admitted to the major must be admitted to Mathematics and Computer Science by the student’s sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Liberal Arts and Sciences.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

**Sophomore-level transfer admission** requires completion of equivalent transfer coursework to the following University of Illinois courses. A final grade must be received in one of the Calculus courses at the time of application:

- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II

If you plan to transfer into either program of study with 45 or more completed transferable hours and have not completed an equivalent to MATH 241, Calculus III, the length of time to degree completion may increase.

**Junior-level transfer admission** requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III
- CS 225, Data Structures (minimum grade of A-)

(Continued)
Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- CS 128, Intro to Computer Science II
- CS 173, Discrete Structures²
- RHET 105, Writing and Research³

---

¹ CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.
² It is highly recommended that an equivalent transfer course to CS 173: Discrete Structures, be completed prior to transfer; however, transfer will be considered without this course.
³ At most institutions, the equivalent requires a two-course English composition sequence.
Molecular and Cellular Biology

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). To be considered for admission, applicants must demonstrate proficiency of subject matter by earning a minimum 3.00 (A=4.00) grade point average (GPA) in the required technical subjects (biology, chemistry, physics and math) and a minimum 2.70 (A=4.00) cumulative GPA for all transfer coursework completed. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry. Completion of equivalent transfer coursework to the **Language Recommendation** is highly recommended:

**Language Recommendation**: There is no longer a language requirement for transfer admission. LAS requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. This will allow time to complete other degree requirements, e.g., General Education coursework. It could take longer to graduate if the Language Requirement for graduation is not completed prior to enrollment.

**Sophomore-level transfer admission** requires completion of equivalent transfer coursework to the following University of Illinois courses:

- CHEM 102, General Chemistry I and CHEM 103, General Chemistry Lab I
- CHEM 104, General Chemistry II and CHEM 105, General Chemistry Lab II
- IB 150, Organismal & Evolutionary Biol¹ & ¹² or MCB 150, Molec & Cellular Basis of Life¹ & ¹²

**Junior-level transfer admission** requires completion of all of the **sophomore-level transfer admission** requirements and equivalent transfer coursework to the following University of Illinois courses:

- IB 150, Organismal & Evolutionary Biol², if not completed previously
- MCB 150, Molec & Cellular Basis of Life² & ³, if not completed previously

Completion of transfer equivalents to some of the following University of Illinois courses prior to transfer is highly recommended:

- MATH 220, Calculus or Math 221, Calculus I
- RHET 105, Writing and Research⁴

¹ Students can take their institution’s Biology I and/or Biology II. It is recommended that students transferring into MCB as sophomores take MCB 150 at the University of Illinois, when a direct equivalent to MCB 150 is not available at their transfer institution. This will enable the student to be better prepared for MCB 250 at the University of Illinois.

² The introductory Biology sequence must include an Organismal/Evolutionary course and a Molecular/Cellular course. Please see the Transferology website – [https://www.transferology.com](https://www.transferology.com) for transfer articulation information. Contact the Biology Advising Office at 217/333-6774 for specific recommendations for your community college.

³ If a direct equivalent to MCB 150 is not available, students will be expected to complete MCB 150 upon transfer to ensure a smoother academic transition to the MCB program. If a direct equivalent to MCB 150 has been completed, students will be expected to complete the MCB Placement Test upon transfer to ensure placement into the appropriate course.

⁴ At most institutions, the equivalent requires a two-course English composition sequence. It is highly recommended that this requirement is completed prior to transfer so that space in the student’s schedule is made available for other courses.

**CONTACT INFORMATION**: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498 E-mail: [las-newstudent@illinois.edu](mailto:las-newstudent@illinois.edu)
Philosophy

Philosophy: [http://catalog.illinois.edu/undergraduate/las/philosophy-balas/](http://catalog.illinois.edu/undergraduate/las/philosophy-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation:** There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:
- PHIL 101, Introduction to Philosophy
- PHIL 102, Logic and Reasoning or PHIL 103, Logic and Reasoning QR II or PHIL 202, Symbolic Logic
- PHIL 105, Introduction to Ethics
- Philosophy Electives
- RHET 105, Writing and Research

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Political Science

Political Science: [http://catalog.illinois.edu/undergraduate/las/political-science-balas/](http://catalog.illinois.edu/undergraduate/las/political-science-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include completion of equivalent transfer coursework to no specific University of Illinois courses. Satisfactory progress toward completion of General Education and/or graduation requirements prior to the term of entry is desirable.

- ECON 102, Microeconomic Principles
- ECON 103, Macroeconomic Principles
- PS 101, Intro to US Gov & Pol
- PS 240, Into to Comp Politics
- PS 280, Intro to Intl Relations
- PSYC 100, Intro Psych
- RHET 105, Writing and Research\(^1\)
- Political Science\(^2\)
- Quantitative Reasoning I and II\(^3\) (General Education Requirement)

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

---

\(^1\) At most institutions, the equivalent requires a two-course English composition sequence.

\(^2\) Transfer coursework comparable to University of Illinois’ PS 220, Intro to Public Policy, PS 230, Intro to Political Research, PS 270, Intro to Political Theory or 300 level courses.

\(^3\) It is strongly recommended that transfer equivalents to one of the following courses be completed prior to transfer: STAT 100, Statistics, MATH 220, Calculus, MATH 234, Calculus for Business I, or CS 105, Intro Computing: Non-Tech.
Portuguese

Portuguese: [http://catalog.illinois.edu/undergraduate/las/portuguese-balas/](http://catalog.illinois.edu/undergraduate/las/portuguese-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry.

RHET 105, Writing and Research¹

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

¹ At most institutions, the equivalent requires a two-course English composition sequence.
Psychology

Psychology:  [http://catalog.illinois.edu/undergraduate/las/psychology-bslas/](http://catalog.illinois.edu/undergraduate/las/psychology-bslas/)

The Psychology major at the University of Illinois at Urbana-Champaign is a research-focused academic program with an emphasis on biological psychology. Students interested in a profession in counseling might consider a major in Social Work (SOCW), Sociology (LAS), Human Development and Family Studies (ACES) or Community Health (AHS).

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 3.00 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

**Sophomore-level transfer admission requires** completion of equivalent transfer coursework to the following University of Illinois courses:

- PSYC 100, Intro Psych
- RHET 105, Writing and Research
- STAT 100, Statistics or PSYC 235, Intro to Statistics

Completion of transfer equivalent coursework to the following University of Illinois course and graduation requirement prior to transfer is highly recommended:

One additional transferable psychology course

**Junior-level transfer admission requires** completion of all of the sophomore-level transfer admission requirements and equivalent transfer coursework to the following University of Illinois courses:

Two additional psychology courses

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 Either of these courses will work. Students are allowed credit for only one introductory statistics course at UIUC. Please contact the Assistant Director of Course Articulation at (217) 300-8606 if you have questions.
3 Sophomore transfers should complete at least two and junior transfers are required to complete at least three Psychology courses with a GPA of 3.00 in those courses prior to transfer, one of which must be an equivalency to University of Illinois PSYC 100, Intro Psych. The remaining two may be chosen from equivalent transfer courses to PSYC 201, Intro to Social Psych, PSYC 216, Child Psych, PSYC 238, Psychopathology and Problems in Living, PSYC 239, Community Psych, PSYC 245, Industrial Org Psych or PSYC 250, Psych of Personality or any articulated 200-level Psychology course, which may or may not be posted in Transferology – [https://www.transferology.com](https://www.transferology.com). Articulation information concerning non-posted courses may be obtained by contacting the Assistant Director of Course Articulation at (217) 300-8606.

CONTACT INFORMATION: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498 E-mail: las-newstudent@illinois.edu
Religion

Religion: http://catalog.illinois.edu/undergraduate/las/religion-balas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include suggested completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses prior to transfer is highly recommended:

RHET 105, Writing and Research¹
REL 104, Asian Mythology² or REL 286, Introduction to Hinduism² or REL 287, Introduction to Buddhism²
REL 120, A History of Judaism² or REL 121, Introduction to Christianity² or REL 201, Hebrew Bible in English² or REL 202, New Testament in English² or REL 214, Introduction to Islam²
REL 110, World Religions²
REL 230, Philosophy of Religion Intro² or REL 231, Religion and Philosophy²

¹ At most institutions, the equivalent requires a two-course English composition sequence.
² If transfer equivalents to the religion courses previously listed are not available, substitute transferable general education courses or electives.
Russian, East European, and Eurasian Studies

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to some of the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- RHET 105, Writing and Research

Students in the Russian, East European, and Eurasian Studies program should complete an equivalent to the University of Illinois’ REES 200, Intro to Russia & Eurasia, REES 201, Introduction to Eastern Europe and must complete REES 495, Senior Seminar, as a graduation requirement.

For electives, special consideration should be given to courses that contribute to an understanding of the broad background against which the region and cultures of the area are studied. Examples are general courses in anthropology, economics, geography, Asian and modern European or world history, world literature, political science and sociology. See the description of the requirements for each of these programs at the website at the top of the page.

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
Slavic Studies

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission recommendations for transfer include completion of equivalent transfer coursework to the following University of Illinois Language Recommendation:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of transfer equivalents to the following University of Illinois course and graduation requirement prior to transfer is highly recommended:

RHET 105, Writing and Research

Students in Slavic Studies will select a concentration and take courses in one of the following areas:

Russian Language, Literature and Culture:
http://catalog.illinois.edu/undergraduate/las/slavic-studies-balas/russian-language-literature-culture/

Polish Studies:
http://catalog.illinois.edu/undergraduate/las/slavic-studies-balas/polish-studies/

South Slavic Studies:
http://catalog.illinois.edu/undergraduate/las/slavic-studies-balas/south-slavic-studies/

Czech Studies:
http://catalog.illinois.edu/undergraduate/las/slavic-studies-balas/czech-studies/

Ukrainian Studies:
http://catalog.illinois.edu/undergraduate/las/slavic-studies-balas/ukranian-studies/

For electives, special consideration should be given to courses that contribute to an understanding of the broad background against which the region and cultures of the area are studied. Examples are general courses in anthropology, economics, geography, Asian and modern European or world history, world literature, political science and sociology. See the description of the requirements for each of these programs at the website at the top of the page.

1 At most institutions, the equivalent requires a two-course English composition sequence.
Sociology

Sociology: [http://catalog.illinois.edu/undergraduate/las/sociology-balas/](http://catalog.illinois.edu/undergraduate/las/sociology-balas/)

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

**Admission requirements** for transfer include completion of equivalent transfer coursework to the following University of Illinois course listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry.

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

**Junior-level transfer admission requires** completion of equivalent transfer coursework to the following University of Illinois course:

- SOC 100, Introduction to Sociology

Completion of transfer equivalents or comparable transfer coursework to the following University of Illinois courses, graduation and General Education requirements prior to transfer is highly recommended:

- SOC 280, Intro to Social Statistics
- RHET 105, Writing and Research
- Quantitative Reasoning I – General Education Requirement
- Sociology courses

Completion of transfer equivalents to University of Illinois coursework which satisfy the following general education categories prior to transfer is also highly recommended:

- Historical & Philosophical Perspectives (History courses recommended) – General Education Requirement

---

1 At most institutions, the equivalent requires a two-course English composition sequence.
2 For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened)

CONTACT INFORMATION: Recruitment & Admissions, College of Liberal Arts & Sciences, 2002 Lincoln Hall, 702 South Wright Street, Urbana, IL 61801; Phone: (217) 333-1703; Fax: (217) 244-9498 E-mail: las-newstudent@illinois.edu
Spanish (Including the Spanish BAT)

Spanish: [http://catalog.illinois.edu/undergraduate/las/spanish-balas/](http://catalog.illinois.edu/undergraduate/las/spanish-balas/)

**Spanish BAT**: See the entry in this handbook “The Bachelor of Arts in Teaching Foreign Language (BAT) General Information and Admission Requirements.”

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 2.70 or higher (A=4.00) is required for admission. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

**Admission recommendations** for transfer include completion of equivalent transfer coursework to the following University of Illinois courses and graduation requirement prior to the desired term of entry.

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Completion of equivalent transfer coursework to the Language Requirement is highly recommended.

Spanish major and minor start with the course Spanish 200. The Spanish Department typically offers summer courses of Span 200, 204, and 228 online.

We encourage students to study abroad, although it is not a requirement to complete the major or the minor. We do have several programs abroad that, with prior planning, can allow for completion of some Spanish major or minor requirements.
Statistics

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). An overall grade point average of 2.70 or higher (A=4.00) is required for admission to Statistics. However, a 3.00 GPA is required for all transfer mathematics coursework completed. Applicants are considered on a space available basis.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: [https://courses.illinois.edu/gened](https://courses.illinois.edu/gened).

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in **bold, red italics**, which must be successfully completed prior to the desired term of entry.

**Language Recommendation**: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Completion of equivalent transfer coursework to the Language Recommendation is highly recommended.

**Sophomore-level transfer admission requires** completion of equivalent transfer coursework to the following University of Illinois courses:

- MATH 220, Calculus
- MATH 231, Calculus II

*If you plan to transfer with 45 or more completed transferable hours and have not completed an equivalent to MATH 241, Calculus III, the length of time to degree completion may increase.*

**Junior-level transfer admission requires** completion of all **sophomore-level transfer admission** requirements and equivalent transfer coursework to the following University of Illinois course:

- MATH 241, Calculus III

Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is highly recommended:

- MATH 257, Linear Algebra with Computational Applications or MATH 415, Applied Linear Algebra
- An introductory statistics course
- RHET 105, Writing and Research

---

1 It is strongly recommended that a calculus sequence comparable to University of Illinois’ MATH 220, Calculus, MATH 231, Calculus II and MATH 241, Calculus III, be completed prior to transfer to either program of study. The recommended minimum GPA for the courses in the calculus sequence is **3.00 (A=4.00)**.

2 Courses comparable to MATH 225, Introductory Matrix Theory are beneficial to prepare and transition into the Statistics major. However, MATH 225 does not satisfy major degree requirements. The same is true for STAT 100, Statistics.

3 At most institutions, the equivalent requires a two-course English composition sequence.
Statistics & Computer Science

Stats & CS: http://catalog.illinois.edu/undergraduate/eng_las/computer-science-statistics-bslas/

Transfer applicants who have completed more than 6 semesters or 80 hours of coursework are subject to an additional review. Priority is given to students who can complete degree requirements within a total of ten semesters in college (not counting summer sessions). A grade point average of 3.50 or higher (A=4.00) is required for admission to Statistics & Computer Science. However, a minimum grade of A- is required on each Computer Science and Mathematics course taken. Applicants are considered on a space available basis.

While the Statistics and Computer Science program is open for intercollegiate/interdepartmental transfer, students who are not directly admitted to the major must be admitted to Statistics and Computer Science by the student's sixth term of enrollment, including terms completed at other institutions of post-secondary education. If you have questions about this policy, or the intercollegiate/interdepartmental transfer process, please consult the College of Liberal Arts and Sciences.

For information about the University of Illinois’ General Education requirements and courses, please refer to the following web link: https://courses.illinois.edu/gened.

Admission requirements for transfer include completion of equivalent transfer coursework to the following University of Illinois courses listed in bold, red italics, which must be successfully completed prior to the desired term of entry:

Language Recommendation: There is no longer a language requirement for transfer admission. The College of Liberal Arts and Sciences requires completion through the fourth level of one language other than English, either in high school or college, to graduate from the college; however, it is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment.

Sophomore-level transfer admission requires completion of equivalent transfer coursework to the following University of Illinois courses. A final grade must be received in one of the Calculus courses at the time of application:

- CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science
- MATH 220, Calculus
- MATH 231, Calculus II

If you plan to transfer with 45 or more completed transferable hours and have not completed an equivalent to MATH 241, the length of time to degree completion may increase.

Junior-level transfer admission requires completion of all of the sophomore-level transfer requirements and equivalent transfer coursework to the following University of Illinois courses:

- MATH 241, Calculus III
- CS 225, Data Structures

(Continued)
Completion of transfer equivalents to the following University of Illinois courses and graduation requirement prior to transfer is **highly recommended**:

- CS 128, Introduction to Computer Science II
- CS 173, Discrete Structures $^2$
- MATH 257, Linear Algebra with Computational Applications or MATH 415, Applied Linear Algebra $^3$
- RHET 105, Writing and Research $^4$
- An introductory statistics course $^5$

$^1$ CS 124, Intro to Computer Science I or CS 125, Intro to Computer Science is preferred. If a transferable equivalent is not available, a transferable equivalent to CS 101, Intro Computing: Engrg & Sci, may be substituted.

$^2$ It is highly recommended that an equivalent transfer course to CS 173, Discrete Structures, be completed prior to transfer; however, transfer will be considered without this course.

$^3$ Courses comparable to MATH 225, Introductory Matrix Theory are beneficial to prepare and transition into the Stat & CS major. However, MATH 225 does not satisfy major degree requirements.

$^4$ At most institutions, the equivalent requires a two-course English composition sequence.

$^5$ Courses comparable to STAT 100, Statistics are beneficial to prepare and transition into the Stat & CS major. However, STAT 100 does not satisfy major degree requirements.
Secondary Education Teaching  
General Information and Admission Requirements

YOUR DEGREE  
The Secondary Education option in the College of Liberal Arts and Sciences (LAS) includes content work in your major and professional education courses in the College of Education. Students who successfully complete this degree will have a bachelor’s degree in the major area of study and a license to teach that subject (English, Math, Science or Social Science) in the state of Illinois.

<table>
<thead>
<tr>
<th>University of Illinois Major</th>
<th>Minimum license earned with degree*</th>
</tr>
</thead>
<tbody>
<tr>
<td>Biology</td>
<td>Science Teaching – can teach Biology through the AP/Honors level and other sciences (Chem; Earth &amp; Space; Environmental; Physics) at the non-AP level</td>
</tr>
<tr>
<td>Chemistry</td>
<td>Science Teaching – can teach Chemistry through the AP/Honors level and other sciences (Bio; Earth &amp; Space; Environmental; Physics) at the non-AP/Honors level</td>
</tr>
<tr>
<td>English</td>
<td>English Language Arts – can teach all English topics through the AP/Honors level</td>
</tr>
<tr>
<td>Geology</td>
<td>Science Teaching – can teach Earth &amp; Space Science through the AP/Honors level and other sciences (Bio; Chem; Environmental; Physics at the nonAP/Honors level.</td>
</tr>
<tr>
<td>History</td>
<td>Social Science Teaching – can teach History through the AP/Honors level and all other Social Sciences (Econ; Geography; Political Sc.; Psych; Sociology/Anthro) at the non-AP/Honors level</td>
</tr>
<tr>
<td>Mathematics</td>
<td>Mathematics Teaching – can teach all Math topics through the AP/Honors level.</td>
</tr>
<tr>
<td>Physics</td>
<td>Science Teaching – can teach Physics through the AP/Honors level and other sciences (Bio; Chem; Environmental; Earth and Space Science) at the nonAP/Honors level</td>
</tr>
</tbody>
</table>

*Time permitting, you may complete extra coursework in order to teach more than one content area through the AP level.

ELIGIBILITY REQUIREMENTS  
Students must have a competitive cumulative, major and institutional GPA. Applicants must have at least a 2.5 (A=4.000) University of Illinois at Urbana-Champaign, major and cumulative grade point average at the time of application.

COURSE SELECTION  
Many of the major requirements meet general education requirements as well. If you wish to complete the Secondary Education program in a total of 4 years, it is imperative that you work closely with your institutions advisor and with us so that we can ensure you are taking the appropriate coursework at the institution you attend prior to entering the University of Illinois.

If you have not worked with your advisor, or if you decide later in your undergraduate work to pursue secondary education licensure, your time to graduation may be increased.
Refer to the Table of Recommended Coursework for Secondary Education Transfer Students:

All courses are 3 credit hours at U of I unless otherwise specified. Some 3 credit hour courses at your institution may meet the requirement of a 4 hour course at U of I (e.g., PSYC 100; GEOG 104).

**SECONDARY EDUCATION TRANSFER STUDENT CHECKLIST**

- Start with Office of Undergraduate Admissions and follow instructions for applying to one of the majors eligible for Secondary Education (Biology, Chemistry, English, Geology, History, Math and Physics). Be sure to check the box that indicates your interest in Secondary Education. Admission to your major does not guarantee admission to the Secondary Education Teaching minor.
- Review the College of Education website: [https://education.illinois.edu/programs/information-for/ui-students-applying-to-the-minor](https://education.illinois.edu/programs/information-for/ui-students-applying-to-the-minor).
  The College of Education Records Officer will notify you of the results of your record review. You will not be required to complete any other application process (i.e. the “Students interested in applying should:” section on the webpage does not apply to transfer students).
- GPA’s (overall; content area; professional education courses) at 2.5 or higher.
- Refer to the Recommended Courses for Transfer Students Interested in Secondary Education at Illinois in the Transfer Student Handbook and work with your institution’s advisor to determine equivalents.
- With the help of your advisor, lay out a plan for the time before you transfer. Also consider laying out a plan for your entire degree. Some majors in the Secondary Education program do not offer much flexibility (especially History and Biology). Be prepared that you may need to take time beyond 8 semesters to complete the degree.
- Students in teaching licensure programs must maintain a grade of ‘C’ or better in ALL content and professional education coursework.
The Bachelor of Arts in Teaching Foreign Language (BAT)
General Information and Admission Requirements

BAT initial licensure programs for Grades K-12 include the following languages: French, German, Latin and Spanish.

What You Need to Know If You Are Considering the BAT Program
- To ensure that content & general education courses are completed prior to the start of the final year of the BAT professional education sequence, it is essential that students interested in pursuing the BAT discuss their academic plans & intentions with their language advisor prior to the start of fall semester.
- It is not possible to begin the final year of the professional education sequence until all required content, general education, & elective coursework has been satisfied.
- Once admitted to the BAT, teacher candidates are expected to complete the three semester sequence in the order they are offered & without deviating from the established sequence in any way.

Requirements & Other Important Information for Students Seeking to Apply for the BAT
Applicants must meet all of the requirements listed below in order to be eligible for admission to the Bachelor of Arts in Teaching Foreign Language (BAT) program. If there is uncertainty about eligibility requirements, interested students should meet with the undergraduate language advisor well in advance of the admissions application deadline.

What You Need to Know If You Want to Apply to the BAT Program
- Students wishing to apply for the BAT program may not hold a previously earned Bachelor’s degree in any field.
- Applicants must have a minimum 2.5 GPA in the language they plan to teach & a 2.5 overall cumulative GPA at the time of application.
- Meeting the minimum criteria does not guarantee admission to the BAT program.
- All applicants to the BAT program should have an alternate academic plan in the event that they are not admitted to the BAT.
- It is essential that students interested in applying to the BAT attend the fall information meeting: information meetings are held in October; meeting announcements will appear on the FLTE website at the beginning of fall semester (http://www.flte.illinois.edu/).

To submit a complete application packet for admission to the BAT, applicants are required to:
- fulfill 25 field hours in a Foreign Language classroom at the secondary level by working with a teacher & students in the language the applicant intends to teach
- complete 5 hours shadowing a principal or other building leader in a secondary school
- complete 5 hours shadowing a member of Student Services in a secondary school
- attend one meeting of the school board in the district where they completed their shadowing
- respond to a series of essays that address issues professional dispositions in education
- submit a copy of all undergraduate transcripts
- submit a copy of a current résumé

(Continued)
BAT Application Deadline: February 1st

Readiness for the Professional Education Sequence

Any student with an interest in the BAT program SHOULD MEET with her/his undergraduate language advisor prior to fall semester of the first year as a transfer student to construct an 8 semester or other academic plan that will ensure all content & general education requirements & electives will be satisfied prior to fall semester of the senior year when the last phase of the professional education sequence begins.

PLEASE NOTE: It is very difficult to complete the final phase of the professional education sequence unless all content & general education requirements & electives have been met. As a result, it is critical that applicants make certain they will complete all content, electives, & general education courses prior to the start of the professional education sequence in fall semester of the final year.

Study Abroad
All BAT teacher candidates are strongly encouraged to study abroad for a summer, semester, or full academic year. The experience enhances authentic cultural knowledge & will prepare teacher candidates for the Oral Proficiency Interview (OPI) assessment that must be taken & passed to advance to Student Teaching. To ensure that students are on campus for the last three semesters prior to graduation when the professional education sequence takes place, seeking direction about study abroad from the language department advisor is critical as it will permit the advisor to assist in an out of country experience when the academic plan is constructed prior to the beginning of the first semester on campus.
