The focus of undergraduate curriculum delivery is through a student-centered, strengths-based educational model. This model fosters student understanding by providing a challenging, yet supportive, environment with high expectations that encourages the development of well-informed and engaged citizens.

General Education Requirements

All School of Social Work students must fulfill the University of Illinois’ campus-wide General Education requirements prior to graduation. Courses that satisfy these categories are constantly being added to or deleted from this list of courses, and the current list is maintained on the Internet and is located at the following link: https://courses.illinois.edu/gened.

Note on the Language Requirement: The School of Social Work requires completion through the third level of one language other than English, either in high school or college, to be graduated from the college. It is strongly recommended that transfer applicants complete this graduation requirement prior to the term of enrollment at the University of Illinois. Early completion of this graduation requirement will allow time to complete other degree requirements, e.g., General Education coursework. Length of time to graduation may increase if the Language Requirement for graduation is not completed prior to enrollment. Spanish is strongly recommended; approved ASL (American Sign Language) coursework is also acceptable.

Field Education

Field Education, a requirement for graduation, includes a 16-week, 32 hours-a-week internship at an agency or organization within the field of social work. All general education courses and social work courses must be complete before a student can begin their internship. Prospective transfer applicants are encouraged to make significant progress in general education requirements prior to transfer to allow time for social work courses and the Field Education component.

James Scholar Requirements

Students interested and eligible in the James Scholar Program must have at least a 3.5 GPA at their current institution. Students will be able to attend a James Scholar meeting at the beginning of the semester. This information will be distributed via email from the Academic Advisor at the School of Social Work.
